Dahlia Cassidy

## **Dahlia Cassidy:**

*Dahlia Cassidy* Anne Cameron, 2004 Dahlia Cassidy was so angry with herself that if she weren't busy driving her 57 Chevy back from Tofino she'd have used both feet to boot herself in the arse. She figured she was just about ready to swear off sex altogether probably forever. She had let herself get talked into leaving her kids with a babysitter and spending a wild weekend at Long Beach with a Frenchman she met at Toby's bar where she and her fiddle provide the live entertainment. Dahlia hasn't had much luck with men including the different fathers of her kids. For years she clung to the hope that she'd just been fishing in the wrong bay and if she moved around often enough sooner or later with or without the help of God and the angels she'd happen upon a man who had more in mind than some friction. Her big sister Iris says her man troubles are her own fault because she won't risk losing control. As much as she hates to agree with anything Iris says or does there is a sting of truth in Iris' charge. Dahlia is a survivor and the main survival tactic she'd devised for herself and her kids is self-sufficiency. In addition to playing bars at night she spends her days furiously picking wild mushrooms, planting trees and working her small farm. She is determined to be responsible for herself and beholden to nobody and if that means hardening her heart to the risks of love so be it. But Dahlia's shell is not quite as tough as it seems and one day at a softball game everything changes. *Dahlia Cassidy* is a delightful and hilarious satire on relationships from one of British Columbia's favourite writers, a rollicking lighthearted novel with a cast of irresistible characters struggling to make sense of life in a small coastal town.

**Daughter of Light** Pamela Walker, Pam Walker, 2006 On her fourteenth birthday Cassidy Chen receives five ancient and mysterious Chinese coins which introduce her to the supernatural world known to her Chinese and Irish ancestors and which lead her to accept her destiny as a warrior princess.

**Under Lock & Skeleton Key** Gigi Pandian, 2022-03-15 Wildly entertaining. The New York Times Book Review A Lefty Nominee for Best Mystery Novel. Known for her wonderfully addictive characters, multiple award-winning author Gigi Pandian introduces her newest heroine in this heartfelt series debut. Under Lock & Skeleton Key layers stunning architecture with mouthwatering food in an ode to classic locked room mysteries that will leave readers enchanted. An impossible crime. A family legacy. The intrigue of hidden rooms and secret staircases. After a disastrous accident derails Tempest Raj's career and life, she heads back to her childhood home in California to comfort herself with her grandfather's Indian home-cooked meals. Though she resists, every day brings her closer to the inevitable: working for her father's company, Secret Staircase Construction, specializes in bringing the magic of childhood to all by transforming clients' homes with sliding bookcases, intricate locks, backyard treehouses and hidden reading nooks. When Tempest visits her dad's latest renovation project, her former stage double is discovered dead inside a wall that's supposedly been sealed for more than a century. Fearing she was the intended victim, it's up to Tempest to solve this seemingly impossible crime. But as she delves further into the mystery, Tempest can't help but wonder if the Raj family curse that's plagued her family for generations, something she used to swear didn't exist, has finally come for her.
