The Land Beyond Time Adventure in the Amazon Alexander Molnar, 2000-05 The Land Beyond Time is a non stop fast paced action packed adventure that takes place in the jungles of the Amazon River It is a story about traitors sabotage espionage greed hate love and romance cold blooded murder and justice It is the story about the trials and tribulations of a dozen human beings who's sabotaged aircraft crashes into the Amazon jungle The crash survivors 6 men and 6 women including 2 drug cartel bosses being extradited to the US now must compete against their individual fears each other and those unknown unexplained challenges facing them in the hot wet dangerous jungle The terrifying but strange animals that abound there like the giant spiders boars anacondas and crocodiles two hostile tribes and the headhunters a Colombian drug cartel group of professional killers coming to rescue their bosses and a small but elite team of US Marines conducting search and rescue operations for the crash survivors all are tossed together in the jungles of the Amazon Our adventure begins during December 1999 in Lima Peru when a US military aircraft C141 preparing to take a number of government passengers back to the US is commandeered by an Embassy official He orders the aircraft to take on 10 additional passengers including two recently captured Colombian drug lords being extradited to the US Hours into the flight the plane is sabotaged by someone onboard and it crashes into the Amazon River dumping the survivors into the hostile terrain north of Manaus Brazil Two of the 12 crash survivors are immediately separated from the main group and have adventures of their own to contend just to remain alive The remaining survivors are captured by one of two hostile tribes the In gou and San gou The survivors are taken to the In gou village and interrogated while second tribe prepares to attack the In gou village to pre-empt an escaped prisoner's arrival there who possesses information which could change the delicate balance of power in the jungle Back in Peru an Embassy official is fingered as an espionage agent for the major drug cartel The official gets nervous and runs to his new bosses in Colombia Meanwhile the cartel sends 24 professional killers to retrieve their two drug bosses from the sabotaged aircraft Their additional instructions are to eliminate all the remaining passengers When the aircraft fails to show up at Manaus as planned the cartel's killers immediately begin a search pattern and within hours of finding the crashed aircraft their journey begins Back in Lima the Non Commissioned Officer in Charge NCOIC of the Marine Security Guard MSG Detachment a friend of Al Ranlom a former Marine who is aboard the missing aircraft hears of the espionage and the plane crash Not one to stand by and watch the NCOIC forms an unofficial search and rescue team which picks up the trail of the missing craft and her survivors The dangers to all involved the survivors the cartel's professional killers and the Marine Security Detachment rescuers are found in every turn they take They are all around them in the trees at ground level on

under and above the waterways swamps and mangroves These hazards eat away at their self confidence and tears at their moral fabric They are tested continuously passing one test only to encounter another challenge If it isn't attacks by giant spiders anacondas and crocodiles it's tigers flesh eating worms and blood sucking bats Or it's problems from hostile tribes or from the natural environment like earthquakes and lava flows or from the failure of their sophisticated equipment like the GPS systems radios and walkie talk

The Corpse Christine Quigley, 2015-09-17 Throughout the centuries different cultures have established a variety of procedures for handling and disposing of corpses Often the methods are directly associated with the deceased's position in life such as a pharaoh's mummification in Egypt or the cremation of a Buddhist Treatment by the living of the dead over time and across cultures is the focus of this study Burial arrangements and preparations are detailed including embalming the funeral service storage and transport of the body and forms of burial Autopsies and the investigative process of causes of deliberate death are fully covered Preservation techniques such as cryonic suspension and mummification are discussed as well as a look at the recycling of the corpse through organ donation donation to medicine animal scavengers cannibalism and of course natural decay and decomposition Mistreatments of a corpse are also covered

Varmints and Victims Frank Van Nuys, 2015-11-09 It used to be If you see a coyote shoot it Better yet a bear Best of all perhaps A wolf How we've gotten from there to here where such predators are reintroduced protected and in some cases revered is the story Frank Van Nuys tells in Varmints and Victims a thorough and enlightening look at the evolution of predator management in the American West As controversies over predator control rage on Varmints and Victims puts the debate into historical context tracing the West's relationship with charismatic predators like grizzlies wolves and cougars from unquestioned eradication to ambivalent recovery efforts Van Nuys offers a nuanced and balanced perspective on an often emotional topic exploring the intricacies of how and why attitudes toward predators have changed over the years Focusing primarily on wolves coyotes mountain lions and grizzly bears he charts the logic and methods of management practiced by ranchers hunters and federal officials Broad in scope and rich in detail this work brings new much needed clarity to the complex interweaving of economics politics science and culture in the formulation of ideas about predator species and in policies directed at these creatures In the process we come to see how the story of predator control is in many ways the story of the American West itself from early attempts to connect the frontier region to mainstream American life and economics to present ideas about the nature and singularity of the region
