Hughes, 2013-10-14 A revolution is under way in how we understand the nature of relationships how we develop in those relationships and how our brains function synergistically in connection with others

This field known as attachment theory has been reserved for neurologists psychologists and others in the healing professions but here Daniel Hughes skillfully demystifies the research for lay people *Building Your Best Argument* Cecil C. Kuhne (III), 2010 Through the sheer volume of litigation facing the courts complete concise and well reasoned arguments are demanded of today's lawyers Both trial and appellate benches are more dependent than ever on well prepared written arguments of counsel particularly because many decisions occur without any oral argument In cases where oral argument is permitted there are additional challenges including rigid time constraints that make every statement count **Building**

Your Best Life Merie Weismiller Wallace, 2024-05-21 You might be surprised to know how many adults pick up their heads one day and ask themselves how did I end up here Merie Weismiller Wallace a still photographer who has worked on some of Hollywood's most interesting films reveals things she learned and ideas she discovered that allowed her to create a uniquely wonderful life It all started when Merie was failing in junior high then imagined exactly what she would prefer and through an odd combination of events and persistence she found her dreams and aspirations coming true At the time no one told her that she had used a technique of visualization that successful people use purposefully Even though she never knew that most of the ideas and techniques in this book existed she began to have a gut feeling that there was more to life than people were telling her about Building Your Best Life will help you discover your authentic self and break through uncertainty It offers new options and ways of thinking so that you too can build yourself a personally fulfilling and meaningful life **Content**
