Grooming, Etiquette & Manners for Teens, Young Adults & Future Leaders Gerard Assey,2022-12-04 Think for a moment how would you feel if someone Never says Please or Thank You when you help them Or Takes or Shares your things but never shares anything of theirs with you Snatches the remote while you are watching TV Makes a loud noise while eating Belching loud Or pushes ahead of you in a queue Who you are shows in how you behave and also in how you appear to others How you look talk walk sit stand and even how you feel in a word the sum of how you present yourself will always speak

volumes about who you are Good manners cost us nothing but will help us win almost everything Good manners put others before you the skills of respecting others and making people feel easy and comfortable If you show good manners everywhere you go then you are more likely to encourage others to behave in the same way towards you In today s increasingly global arena technical knowledge alone is not enough to ensure success Sophistication is more and more the catchword Given a choice between two equally talented individuals corporations will choose the candidate with greater interpersonal and social grace skills to represent it As our world becomes a smaller place and our economy becomes increasingly global in scope it is becoming increasingly clear how important good manners are in all cultures In fact knowing how to treat others well is more important now than ever How we look talk walk sit stand eat ie how we present ourselves creates the first impression that others form of us This is true not only in personal life but more so in our professional life With a world that s becoming more and more competitive proper business etiquette and interpersonal skills play an increasingly important role in the success or failure of anyone s business career and the company they represent Knowing how to behave courteously and professionally is far from trivial Etiquette and protocol does count in the business world as no matter how brilliant an employee may be his or her lack of social grace can make a bad first impression on clients and business associates Studies have shown that more than 60% of what is believed about us is based upon visual messages What people see At many Fortune 500 companies top management take potential front line employees to lunch or dinner to observe their comfort level with executives spouses waiters and even with the various pieces of silverware Like it or not management equates good manners with competence and poor manners with incompetence Table manners can make or mar a mega merger especially in an era when companies are competing on the basis of service this can be a crucial business skill Good manners are good business Your inability to handle yourself as is expected could be expensive no one will tell you the real reason you didn t get the job the promotion that big business deal or the social engagement Your social graces and general demeanor can tell as much about you as the way you handle an issue Fair or not others equate bad manners with incompetence and a lack of breeding and the cumulative effect of this repeated faux pas in an organization can be devastating leading to a major loss of respect credibility loss of reputation and business Your Success can start today with Grooming Etiquette Manners for Teens Young Adults Future Leaders This book will help increase your confidence in your image manners business etiquette and interpersonal skills to help you build rapport and trust with your business customers and associates They are not only important to know now but will benefit you throughout your life adding to your future success in the world of work with you having a competitive advantage in everyday life at university work and in your future careers In fact this is the only survival skill Table of Contents Introduction Survival Skills for a Competitive Edge Successful Career Part 1 Grooming Etiquette Manners Developing Personal Qualities Attributes of a Professional Why Self Esteem Matters How to Build a High Self Esteem Managing You Positive First Impressions Meeting and Greeting Manners and Etiquette at the Workplace Managing Relationships The Right
