New to this edition: A new preface noting slang trends of the last five years. Over 1 000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. **The New Partridge Dictionary of Slang and Unconventional English** is a spectacular resource infused with humour and learning, it's rude, it's delightful and it's a prize for anyone with a love of language.

All words are illustrated by a reference from a variety of sources to prove their existence in alleys and dives throughout the English speaking world.
