**AL SMITH AND HIS AMERICA** OSCAR HANDLIN,1958      *A Humorous Account of America's Past: 1898 to 1945*

Richard T. Stanley,2010-09-02 In 1898 the United States became an empire by accident due to our splendid little war against Spain At the beginning of the 20th Century the most famous men in America were not athletes or politicians they were inventors and businessmen like Bell Edison Morgan and Rockefeller Teddy Roosevelt built the Panama Canal launched the Great White Fleet and became a Bull Moose Woodrow Wilson was reelected in 1916 because He Kept Us Out of War World War I began as a family feud between three European cousins named Georgie Willie and Nicky The War to end all wars set the stage for World War II Americas first female President was Edith Wilson and our first Black President was possibly Warren Harding Aside from Babe Ruth Charles Lindbergh Al Capone Sigmund Freud Emily Post or Sinclair Lewis novels and Hollywoods movies Calvin Coolidge personified the Roaring Twenties Following the Stock Market Crash FDRs New Deal and his fireside chats helped up survive Hoovervilles but it took World War II to end the Great Depression What happened between Pearl Harbor and the Atomic Bomb Read my book      [America](#) William J. Bennett,2007-10-16      **John F. Kennedy, Barack Obama, and the Politics of Ethnic Incorporation and Avoidance** Robert C. Smith,2013-02-19 Political analysts and journalists often draw analogies between John F Kennedy the first Catholic Irish president and Barack Obama the first African American president Their election to the nation s highest office was historic but for reasons not fully appreciated In John F Kennedy Barack Obama and the Politics of Ethnic Incorporation and Avoidance Robert C Smith provides a fascinating comparison of the challenges both men faced in their bid for the presidency while at the same time providing comparative histories of the Catholic Irish and African American struggles to overcome racial and religious subordination in America Kennedy s Catholicism was an explicit issue in the 1960 election and once elected he was extremely careful to avoid appearing either too Irish or too Catholic While Obama s race was not an explicit issue in the 2008 election he was just as careful to avoid appearing too black Paradoxically religion thanks to rumors and lies about whether Obama was a Muslim became a substitute for race allowing Republican strategists to otherize Obama by raising the issue of religion in the context of national security and terrorism      **Reports and Documents** United States. **Smith: Hero of the Cities (A Political Portrait Drawing on the Papers of Frances Perkins)** Matthew

Josephson, Hannah Josephson, 2019-10-28 Al Smith 1873 1944 was born and grew up in New York's Lower East Side slums and got his start in politics under Tammany Hall sponsorship Frances Perkins was a New Englander a trained social worker who became a public figure when Smith appointed her to the New York State Industrial Commission They shared a concern for working people and a love for the Empire State which Smith served as governor for four precedent breaking terms between 1919 and 1928 after serving in the New York State Assembly between 1904 and 1915 as a member and later as Speaker Smith considered himself an Assemblyman His record as governor is based on the solid understanding of politics he acquired in those years It was also fostered by his encounter at a decisive stage with a group of reformers and social workers including Belle Moskowitz who became his chief political strategist Smith's own great contribution was to show how reform could be made practicable As governor Smith fought a running battle with an obstructive legislature he was able to reorganize New York State's sprawling executive departments protect women and children in industry strengthen workmen's compensation laws and shorten their working hours stop the handouts of state resources to private companies and expand recreational areas for the benefit of the public He cut taxes while building hospitals schools and low cost housing developments When the legislature balked he appealed to the people on radio and they responded with avalanches of letters and telegrams to their representatives The dauntless spirit with which he battled his adversaries earned him the title The fighting Governor After his defeat for the Presidency in 1928 Smith was able to hand on to his successor a comparatively inexperienced politician named Franklin D Roosevelt a working state government and a blueprint for social reform which Roosevelt would put to good use At the time of her death in 1965 Frances Perkins was working on a book about Al Smith as she knew him Her notes the few chapters she had written and the oral history she recorded for Columbia University were turned over to Matthew and Hannah Josephson who used them and their own exhaustive research to write this biography The Josephsons both authors in their own right were invited to complete the unfinished biography of Smith that Frances Perkins left behind at her death in 1965 Finding only a rather bare start they ended up writing it 90% themselves The sections on Smith's early years provide a delightful picture of the Old East Side and a thriving Tammany Hall A happily executed portrait of an eminent and engaging American Kirkus Reviews The most thorough study yet available of Smith's career and one that also pays considerable attention to Frances Perkins contributions to reform during the Progressive period and during Smith's gubernatorial administrations a useful biography of Al Smith Joel A Tarr The American Historical Review The book reflects the warmth and vigour of its subject The book's principal contribution is its emphasis on Smith's tremendous effectiveness both as a party leader and as a reformer His quarter century of almost continuous success was founded on exceptional memory intense application a sharp wit and shrewd appeals to the people His enduring monuments are his reform of the state administration his fight against the utilities and his work in housing conservation and social reform Michael Simpson

History The Josephsons political portrait is of a man who was at one and the same time an ambitious and successful politician who could skillfully manipulate the party system reward friends and punish enemies hold personal grudges yet temper his actions with genuine humanistic concern for the welfare of the first and second generation immigrants for whom he was both spokesman and symbol John L Shover The Pacific Northwest Quarterly The Josephsons biography is comprehensive providing careful and discerning detail about Smith s life and career William W Bremer The Wisconsin Magazine of History Empire Statesman Robert A. Slayton,2001 Born to Irish immigrants on the Lower East Side of Manhattan Al Smith was the earliest champion of immigrant Americans In 1928 Smith became the first Catholic to run for the presidency but his candidacy was fiercely opposed by the KKK and his campaign was wiped out by a tidal wave of anti Catholic hatred After years of hardship Smith reconciled his soured relationships with political bigwigs and once again became a generous heroic figure Photos
