### Chapter 1 The Mysterious Woods

Mirabell s beautiful forest was in the middle of a very large country bordered by tall mountains and rolling hills There was nothing else like this woods in the world People said it was a magical place with strange animals magical air and trees that could tell stories from the past In stories Mirabell was seen as a secret gem with the strongest natural heart beating with magic and mystery Since he was a little boy who loved to explore and learn Aladdin had always been interested in Mirabell s stories He heard stories as a child about its secrets and the mythical animals that lived there Stories about animals that could talk plants that could heal any illness and hidden treasures were always going through his thoughts Aladdin knew that there was excitement outside the walls of his small village The sun was shining through the trees and Aladdin thought it was time to go into the strange forest He wasn t going to give up on finding the riches it held With a sense of adventure in his eyes he left the well worn paths behind and walked into the woods As soon as Aladdin walked into the woods he was struck by how beautiful Mirabell was With their green and gold leaves that sparkled like they were covered in magic the trees stood tall and proud A peaceful stream whispered secrets from the forest in the distance and birds singing and leaves moving were all around us Aladdin was filled with awe He had never seen something so bright and lovely It looked like the forest was greeting him and telling him to come discover its secrets While taking in the sights and sounds of Mirabell he kept going His eyes were wide with awe He would stop every once in a while to look at a really pretty flower or hear a bird s song that he had never heard before As Aladdin walked through the forest he realized that Mirabell was a magical place He thought that the trees were watching him and telling him how to move through the forest sometimes He saw birds with feathers of many colors bunnies that hopped very quickly and what looked like a deer shining softly in the evening These were animals he had only read about in books His heart was full of wonder and happiness

He knew that everyone was counting on him to be there With each breath he felt like he was joining the magic of the forest Every moment brought new surprises and each step brought him closer to Mirabell s heart Aladdin was drawn to more than just the magic and beauty though You felt like you were going on an adventure and joining a world with endless possibilities He and Mirabell became close because of the unknown promise of finding and the mysteries of the forest they both shared Aladdin was sure that somewhere deep in Mirabell something amazing was waiting for him He thought it would become a part of his life forever As the day turned into night Aladdin found himself in a clearing in the woods The setting sun was casting a bright light on the trees In the open a talking parrot was stuck behind a downed branch Aladdin had been looking forward to this moment for a long time He knew that being in the middle of Mirabell would be an amazing experience Aladdin couldn t help but think that this was the start of a wonderful journey because the parrot s eyes were sparkling with a cheeky and smart intelligence Aladdin was allowed to enter Mirabell s magical forest as long as he told her the forest s most important secret Aladdin was ready to go on a journey with his talking parrot that would be full of magic friendship and adventures beyond his wildest dreams The mysterious animals and whispered secrets in the Mirabell forest gave Aladdin the best gift of all the chance to go on a journey and make a friend for life Chapter 2 The First Meeting In the middle of the magical Mirabell Forest Aladdin s journey took a sudden turn The air was filled with magic and every leaf seemed to tell a story from the past The boy had seen more of the forest than anyone in the town would have because he was fully aware of everything around him He was driven by his desire to find the secrets that were hidden in the forest s dark corners And it was right in this shade under the tall tree and in the middle of the natural chorus that Aladdin s life was about to change in a big way Aladdin heard a low muffled sound as he walked through the thick bushes There was a mix of words and squawks coming from right in front of him He had never heard anything like it before Aladdin sped up and brushed away the ferns and sticks in his way because he was interested and couldn t get enough of exploring He found out about a vision that he will always remember A bird was sitting under a big branch that had come off an old tree But this bird wasn t like most birds In the dappled sunshine its feathers sparkled like jewels and showed a beautiful range of colors The parrot was definitely not a normal animal from the forest his eyes were filled with intelligence This was Zazu the talking bird but Aladdin still didn t know what his name was Aladdin moved slowly toward the bird because he didn t want to scare it What the parrot said to Aladdin shocked him Help me young traveler I am trapped under this branch and cannot free myself He had no idea that he would find a bird that could talk He had read about these magical people that lived in the Mirabell forest but he never thought he would meet one in real life There was no thought behind what Aladdin did He pulled and pushed on the branch as hard as he could until it finally moved enough for Zazu to get away When the parrot said thank you it flailed its wings making a rainbow of colors against the green background of the forest This made Zazu feel better and he said Thank you kind soul You saved me from a very bad fate My name is Zazu and I am in your debt Aladdin was too stressed out He had not only

saved a chatty bird but he had also met someone new in the strangest place The first time Aladdin and Zazu met was when the little boy introduced himself This was the start of an amazing journey With his bright feathers and even more lively attitude Zazu was unlike anyone else Aladdin had ever met Aladdin had never heard the smart and wise bird talk about magical places hidden in forests and faraway places As they talked Aladdin understood that Zazu wasn't just a talking parrot he had magical powers that came from Mirabell's heart
