Gold Dust on the Air Molly A. Schneider,2024-07-09 2025 Broadcast Historian Award Library of American Broadcasting Foundation How mid century television anthologies reflected and shaped US values and identities From the late 1940s to the early 1960s anthology dramas presented quality television programming in weekly stand alone television plays meant to entertain and provide cultural uplift to American society Programs such as Playhouse 90 Studio One and The Twilight Zone became important emblems of American creative potential on television But their propensity for addressing matters of major social concern also meant that they often courted controversy Although the anthology s tenure would be brief its importance in the television landscape would be great and the ways the format negotiated ideas about Americanness at midcentury would be a crucial facet of its significance In Gold Dust on the Air Molly Schneider traces a cultural history of the Golden Age anthology addressing topics such as the format s association with Method acting and debates about authentic American experience its engagement with ideas about conformity in the context of Cold War pressures and its depictions of war in a medium sponsored by defense contractors Drawing on archival research deep textual examination and scholarship on both television history and broader American culture Schneider posits the anthology series as a site of struggle over national meaning

Dangerous Visions and New Worlds Andrew Nette,Iain McIntyre,2021-10-26 Much has been written about the long Sixties the era of the late 1950s through the early 1970s It was a period of major social change most graphically illustrated

by the emergence of liberatory and resistance movements focused on inequalities of class race gender sexuality and beyond whose challenge represented a major shock to the political and social status quo With its focus on speculation alternate worlds and the future science fiction became an ideal vessel for this upsurge of radical protest *Dangerous Visions and New Worlds Radical Science Fiction 1950 to 1985* details celebrates and evaluates how science fiction novels and authors depicted interacted with and were inspired by these cultural and political movements in America and Great Britain It starts with progressive authors who rose to prominence in the conservative 1950s challenging the so called Golden Age of science fiction and its linear narratives of technological breakthroughs and space conquering male heroes The book then moves through the 1960s when writers including those in what has been termed the New Wave shattered existing writing conventions and incorporated contemporary themes such as modern mass media culture corporate control growing state surveillance the Vietnam War and rising currents of counterculture ecological awareness feminism sexual liberation and Black Power The 1970s when the genre reflected the end of various dreams of the long Sixties and the faltering of the postwar boom is also explored along with the first half of the 1980s which gave rise to new subgenres such as cyberpunk *Dangerous Visions and New Worlds* contains over twenty chapters written by contemporary authors and critics and hundreds of full color cover images including thirteen thematically organised cover selections New perspectives on key novels and authors such as Octavia Butler Ursula K Le Guin Philip K Dick John Wyndham Samuel Delany J G Ballard John Brunner Judith Merril Barry Malzberg Joanna Russ and many others are presented alongside excavations of topics works and writers who have been largely forgotten or undeservedly ignored
