ways that privileged men and masculinity Far from being totalized colonial subjects Egyptian doctors paradoxically reappropriated aspects of Victorian science to forge an anticolonial nationalist discourse premised on the Egyptian woman as mother of the nation By relegating Egyptian women whether as midwives or housewives to maternal roles in the home colonial medicine was determinative in diminishing what control women formerly exercised over their profession homes and bodies through its medical dictates to care for others By interrogating how colonial medicine was constituted Hibba Abugideiri reveals how the rise of the modern state configured the social formation of native elites in ways directly tied to the formation of modern gender identities and gender inequalities in colonial Egypt Conquest and Fusion S.J.
