Albemarle County Virginia Marriages 1780-1853:

The Washingtons. Volume 2 Justin Glenn, 2014-07-29 This is the second volume of a comprehensive history that traces the Presidential line of the Washingtons Volume one began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and was the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume two is a collection of notable descendants of the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Future volumes will trace generations eight through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country The Washingtons includes the time honored John Wright line which in recent years has been challenged largely on the basis of DNA evidence Volumes one and two form a set with a cumulative bibliography appearing at the end of volume two **A Finding List of Virginia Marriage Records Before 1853** ,1957 **Genealogical & Local History Books in Print** ,1997 **America's Forgotten Suffragists** Nicole Evelina, 2023-03-01 After being forgotten for nearly 130 years the Mother of Suffrage in Missouri and her husband are finally taking their rightful place in history St Louisans Virginia and Francis Minor forever changed the direction of women s rights by taking the issue to the Supreme Court for the first and only time in 1875 a feat never eclipsed even by their better known peers Susan B Anthony and Elizabeth Cady Stanton Yet despite a myriad of accomplishments and gaining notoriety in their own time the Minors names have largely faded from memory In 1867 Virginia founded the nation s first organization solely dedicated to women s suffrage two years before Anthony formed the National Woman s Suffrage Association NWSA Virginia and Francis were also the brains behind the groundbreaking idea that women were given the right to vote under the Fourteenth Amendment a philosophy the NWSA adopted for nearly a decade And their story doesn t end there After the court case Francis went on to become a prolific writer on women s rights and one of the first and strongest male allies of the suffrage movement Virginia instigated tax revolts across the country and campaigned side by side with Anthony for women s rights in Missouri Kansas and Nebraska **America's Forgotten Suffragists** Virginia and Francis Minor is the first biography of these suffrage celebrities who were unique for their time in being jointly dedicated to the cause of female enfranchisement This book follows their lives from slave holding Virginians through their highly lauded civilian work during the Civil War and into the height of the early suffrage movement to show how two ordinary people of like mind dedicated to a cause can change the course of history **Adventurers of Purse and Person, Virginia, 1607-1624/5: Families G-P** John Frederick Dorman, 2004 The foundation for this work is the Muster of Jan 1624-25 which had never before been printed in full Page xiii volume 1 **Genealogical and Local History Books in Print** ,1994-12

National Genealogical Society Quarterly, 1999 **Freedom Has a Face** Kirt von Daacke, 2012-10-30 In his examination of a wide array of court papers from Albemarle County a rural Virginia slaveholding community Kirt von Daacke argues against the commonly held belief that southern whites saw free blacks only as a menace Von Daacke reveals instead a more easygoing interracial social order in Albemarle County that existed for more than two generations after the Revolution stretching to the mid nineteenth century and beyond despite fears engendered by Gabriel's Rebellion and the Haitian Revolution *Freedom Has a Face* tells the stories of free blacks who worked hard to carve out comfortable spaces for existence They were denied full freedom but they were neither slaves without masters nor anomalies in a society that had room only for black slaves and free white citizens A typical rural Piedmont county Albemarle was not a racial utopia Rather it was a tight knit community in which face to face interactions determined social status and reputation A steep social hierarchy allowed substantial inequalities to persist but it was nonetheless an intimately interracial society Free African Americans who maintained personal connections with white neighbors and who participated openly in local society were perceived as far more than stereotypical dangerous blacks Based on his work building a cross referenced database containing individual records for nearly five thousand documents von Daacke reveals a detailed picture of daily life in Albemarle County With this reinsertion of individual free blacks into the neighborhood community and county he exposes a different more complicated image of the lives of free people of color *The Papers of Thomas Jefferson, Retirement Series, Volume 4* Thomas Jefferson, 2004 The Retirement Series documents Jefferson's written legacy between his return to private life on 4 March 1809 and his death on 4 July 1826 During this period Jefferson founded the University of Virginia and sold his extraordinary library to the nation but his greatest legacy from these years is the astonishing depth and breadth of his correspondence with statesmen inventors scientists philosophers and ordinary citizens on topics spanning virtually every field of human endeavor From publisher description **The Descendants of Jonas Ricks and Other Ricks Families in America** Donald Milton Ricks, 1998 Jonas Ricks apparently valued anonymity His personal style was that of a quiet and private man and those propensities helped build a genealogical brick wall that continues to hide his past beyond Rowan County North Carolina Jonas lived in that county about 1768 It is possible that Jonas Ricks did not want his ancestry known Whatever the reason only a few records exist in which he appeared before his death in 1821 Page 85 **Anatomy of a Scandal** Rebecca L. McMurtry, James F. McMurtry, 2002 Through research with new sources and technology the McMurrays seek out the origins and the historical development of the longest running presidential scandal in American history **The Ross Family** Ross Chappell, 2005 John Ross was born in about 1695 in Scotland He was a soldier in the Jacobite Rebellion of 1715 and was transported to America in 1716 He married Sarah and they had ten children He died in 1759 in Hanover County Virginia Descendants and relatives lived mainly in Virginia North Carolina South Carolina Kentucky and Alabama **Sorting Some of the Wrights of Southern Virginia** Robert Noel Grant, 2004 A list of sources used in preparing the
