Albert Pike Fred W. Allsopp, 2013-10 This is a new release of the original 1928 edition *Gen. Albert Pike's Poems* Albert Pike, 2015-07-11 Excerpt from Gen Albert Pike s Poems With Introductory Biographical Sketch I need offer no apology for presenting to the public this volume of Gen Albert Pike s Poems the poems are too good to be lost and I wonder that a collection of the author s writings has not been published for general circulation long since Being a great admirer of those of the poems which I had read I sought and obtained the sanction of the celebrated author s daughter Miss Lilian Pike since become Mrs Roome to publish same and induced her to write the accompanying splendid biographical sketch of her honored father About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Confederate Sheet Music E. Lawrence Abel, 2015-06-14 During the American Civil War songs united and inspired people on both sides The North had a well established music publishing industry when the war broke out but the South had no such industry The importance of music as an expression of the South s beliefs was obvious as one music publisher said The South must not only fight her own battles but sing her own songs and dance to music composed by her own children Southern entrepreneurs quickly rose to the challenge This reference book is distinguished by three major differences from previously published works First it lists sheet music that is no longer extant and listed nowhere else Second it gives complete lyrics for all extant songs a rich source for researchers And third a brief historical background has been provided for many of the songs Each entry provides as much of the following as possible staying faithful to the typography of each title page the title as published names of all lyricists composers and publishers dates of publication cities of publication and if applicable the names of catalogs or magazines in which the song appeared Music published in Southern cities under Federal occupation is excluded
