Alberta The Pioneer Years:

Alberta, the Pioneer Years Harold Fryer, 1977 **Alberta's Political Pioneers** Austin Albert Mardon, 2010 Come explore the history of Alberta's rich political landscape and learn about the people who shaped the face of a province Within these pages you'll meet the men and women who forged the politics of the region during the Roaring Twenties and the height of the Great Depression **The Cowboy Cavalry** Gordon Errett Tolton, 2011 When Native and Métis unrest escalated into the Northwest Rebellion of 1885 white settlers in southern Alberta's cattle country were terrified Three major First Nations bordered their range and war seemed certain In anticipation 114 men mustered to form the Rocky Mountain Rangers a volunteer militia charged with ensuring the safety of the open range between the Rocky Mountains and the Cypress Hills The Rangers were a motley crew from ex Mounties and ex cons to retired high ranking military officials and working ranch hands Membership qualifications were scant ability to ride a horse knowledge of the prairies and preparedness to die The Rangers were resolutely prepared to fight as mounted cavalry should the rebellion spread This is their story inextricably linked to the dissensions of the day rife with skirmishes corruption jealousies rumour innuendo and gross media sensationalizing all bound together with what author Gordon Tolton terms a generous helping of gunpowder **The Literary History of Alberta Volume Two** George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One* From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day It is a vital text for anyone interested in Alberta's vibrant literary culture *The Palgrave Handbook of Global Mormonism* R. Gordon Shepherd, A. Gary Shepherd, Ryan T. Cragun, 2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter-day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter-day Saint in different world regions What is the faith's appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with

such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa

Healy's West Gordon E. Tolton, 2014 Through his incredibly varied fifty year career John J Healy left an indelible mark on the Canadian and American west At different points in his storied life Healy was a soldier a trapper a prospector a free trader an explorer a horse dealer a scout a lawman a newspaper editor a speculator a merchant a capitalist a historian and a politician He defied classification while defining the lifestyle of a frontier adventurer and buccaneer capitalist in the late nineteenth century In Healy's West Gordon E Tolton cuts through the mythology and controversy of this larger than life character giving us the most complete and truly balanced account of Healy's life ever published From Irish famine to army saddle from scouting on the Oregon Trail to digging for mountain gold in Idaho from taking on powerful monopolies to trading with the Blackfoot from political manoeuvring to hunting down rustlers behind a sheriff's badge Healy challenged life nature enemies and governments head on in print in business and in physical combat An entertaining and critical portrayal of the west's most charismatic figure Healy's West is a must read for any history buff

Almost Pioneers John Fry, 2013-08-06 In the fall of 1913 Laura and Earle Smith a young Iowa couple made the gutsy some might say foolhardy decision to homestead in Wyoming There they built their first house a claim shanty half dug out of the ground hauled every drop of their water from a spring over a half mile away and fought off rattlesnakes and boredom on a daily basis Soon other families moved to nearby homesteads and the Smiths built a house closer to those neighbors The growing community built its first public schoolhouse and celebrated the Fourth of July together although the festivities were cut short because of snow By 1917 however the Smiths had moved back to Iowa leasing their land to a local rancher and using the proceeds to fund Earle's study of law The Smiths lived in Iowa for most of the rest of their lives and sometime after the mid 1930s Laura wrote this clear vivid witty and self deprecating memoir of their time in Wyoming a book that captures the pioneer spirit of the era and of the building of community against daunting odds

Calgary's Grand Story Donald B. Smith, 2005 Calgary was a boomtown of 50 000 people in 1912 the year the Lougheed Building and the adjacent Grand Theatre were built Through the great days of Vaudeville and classic cinema through the Depression two world wars and the oil and gas boom the Lougheed and the Grand were cornerstones of downtown Calgary As the city grew up around them questions about their future arose Complemented by over 140 historical images Calgary's Grand Story is a fascinating tribute to the Lougheed and the Grand and celebrates their unrivalled position in the city's political economic and cultural history

Alberta History Along the Highway Ted Stone, 1996

Thirsty Land into Springs of Water Brooke Kathleen Brassard, 2025-07-15 Looking at the example of The Church of Jesus Christ of Latter day Saints Thirsty Land into Springs of Water answers questions about Canadian and religious identities immigration and integration Brooke Kathleen Brassard sheds light on the Latter day Saint experience in southern Alberta between 1887 and 1947 revealing how the Latter day Saints integrated into Canadian society

while maintaining their peculiar identity through architecture business practices political participation gendered roles and family structures Drawing on family histories correspondence meeting minutes and oral histories Brassard explores how the Church negotiated the tension between integration and otherness The book demonstrates how Latter day Saints in southern Alberta embedded themselves in the social economic and political structures of Canada and how they adapted Mormonism to Canadian circumstances It draws on the concept of lived religion and historical methodologies to reveal the complications that occur in the process of negotiation for members of a minority religion in Canada Thirsty Land into Springs of Water ultimately illuminates the ways in which mainstream Canadian society forces newcomers to decide what they will adopt reject or adapt in order to belong

The Way it was Edith Van Kleeck, 2007 The Way It Was chronicles Van Kleeck's experiences as a student and teacher in one room schools in rural Alberta From her first year attending school in the High Prairie country in 1916 to the closure of her last rural schoolhouse in 1961 Edith Van Kleeck recalls a bygone era in Canadian educational history

The Literary History of Alberta Volume One George Melnyk, 1998-04 Alberta's contradictory landscape has fired the imaginative energies of writers for centuries The sweep of the plains the thrust of the Rockies and the long roll of the woodlands have left vivid impressions on all of Alberta's writers both those who passed through Alberta in search of other horizons and those who made it their home The Literary History of Alberta surveys writing in and about Alberta from prehistory to the middle of the twentieth century It includes profiles of dozens of writers from the earnestly intended to the truly gifted and their texts from the commercial to the arcane It reminds us of long forgotten names and faces figures who quietly or not so quietly wrote the books that underpin Alberta's thriving literary culture today Melnyk also discusses the institutions that have shaped Alberta's literary culture The Literary History of Alberta is an essential text for any reader interested in the cultural history of western Canada and a landmark achievement in Alberta's continuing literary history

Alberta Faye Reineberg Holt, 2009-04 To many people Alberta represents the true Canadian frontier It is known for the rugged independence of its residents whether they are homesteaders cowboys explorers oilmen grassroots politicians or strong willed feminists This book is a wonderful collection of images and stories that tell of Alberta's many roots Beginning in the 18th century and continuing into the present day this collection of over 150 photographs chronicles the development of Alberta from a frontier society into a modern day economic powerhouse

Changing Women, Changing History Diana Lynn Pedersen, 1996 Changing Women Changing History is a bibliographic guide to the scholarship both English and French on Canadian's women's history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive

Country Roads of Alberta Liz Bryan, 2011-02-01 Experience Alberta's heritage and the outdoors in Country Roads of Alberta an intriguing photographic guidebook that takes you to places off the beaten track Alberta's scenery is as diverse as its topography Fringed along its western edge by high mountains the land descends through foothills to stretch into undulating plains sculpted by ancient ice into ridges hills and deep coulees Under the

changing light of the prairie sky the rolling landscape reveals tipi rings and medicine wheels remnants of the first people to call this land home as well as marks of later civilization homesteads old barns churches and the graveyards of the first immigrants Antelope wild goats moose beaver prairie dogs and birds are among the bountiful wildlife that flourishes here In i Country Roads of Alberta Liz Bryan guides readers along the back roads of this beautiful landscape In addition to driving directions and maps Bryan includes snippets of archaeology history geology and other interesting information Her magnificent full colour photos celebrate Alberta s many landscapes some still wild and all most beautiful Mabou Pioneers Volume 1 ,2014-06-12 This book is a genealogical record of some of the pioneer families who settled in the Mabou and District area of Cape Breton In addition to genealogies of Mabou families the book also offers biographical sketches of prominent ecclesiastics a history of the Parish of Mabou and a brief reflection on the compiling of genealogies Mabou Pioneers is an indispensable reference to the genealogy of this remarkable Cape Breton community *Bad Nature* Andrew McCumber,2025-04-30 Offers insights into the social and cultural implications of humans relationships with rats and the natural world Apart from the occasional pet owner who has rats most people regard rats as disease carrying nocturnal pests scurrying around dumpsters and dragging slices of pizza through New York City subways Since rats are seemingly omnipresent in human life why do we harbor such negative feelings about them and why are they among the creatures most frequently targeted for systematic extermination In *Bad Nature* sociologist Andrew McCumber draws out the cultural underpinnings of rat extermination across three countries and two continents Drawing from ethnographic interview and textual data from the frigid prairie of Alberta Canada the heart of downtown Los Angeles California and the iconic Galapagos Islands of Ecuador McCumber studies how humans have sought to suppress and exterminate rat populations in a variety of environmental social and political situations He shows how in these disparate locations rat control is a social practice that draws and clarifies the spatial and symbolic boundaries between good and bad forms of nature Rats are near the bottom of a symbolic hierarchy of species that places human life at the top companion animals and majestic wildlife just below them and the invasive species that call for systematic extermination at the very bottom This hierarchy of living things that places rats at the bottom McCumber argues mirrors human systems of social inequalities and power dynamics Both original and engaging *Bad Nature* urges readers to consider when charting a just and sustainable future where will the rats be placed in the worlds we envision The Synod of Dordt (1618-1619) and the Canons Donald Sinnema,2025-07-28 The Synod of Dordrecht 1618 1619 has monumental significance for Reformed churches While officially assembled for the provinces of the Netherlands it gathered an international cast of delegates to solidify a pan European accord on Reformed doctrine In this book readers gain valuable historical perspective from Donald Sinnema the world s leading authority on the Synod of Dordt Sinnema opens with a helpful overview summarizing the agenda and proceedings of four phases of the synod to capture the scope and magnitude of the gathering Then Sinnema tackles various aspects of the synod with astounding detail and analysis

You will learn of procedural wranglings dealings of church and state how the Belgic Confession and Heidelberg Catechism were involved disagreements among the delegates and plenty about the consensus document known as the Canons of Dordt A standard resource on the synod for years to come Alberta Titans Susan Warrender,2003 A collection of stories about ambitious entrepreneurs who travelled west to rise from rags to riches **Pacific Northwest Quarterly** ,1994

As recognized, adventure as with ease as experience approximately lesson, amusement, as competently as deal can be gotten by just checking out a books **Alberta The Pioneer Years** next it is not directly done, you could allow even more as regards this life, with reference to the world.

We give you this proper as competently as easy way to get those all. We manage to pay for Alberta The Pioneer Years and numerous book collections from fictions to scientific research in any way. in the midst of them is this Alberta The Pioneer Years that can be your partner.
