**Alberta's Local Governments: Politics and Democracy** Jack Masson, Edward C. LeSage, 1994 During the last decade Alberta municipalities have endured hardships they have not faced since the Great Depression Changes in the province's political structures appear to have been made primarily to transfer a greater share of the costs of local government to the municipalities yet surprisingly few municipal politicians have resisted the province's financial policies Local Government Financing in Alberta, Including an Appraisal of Provincial-municipal Financial Relationships Citizens' Research Institute of Canada, 1954 Government and Politics in Alberta Allan Tupper, Roger Gibbins, 1992 Alberta's politics are changing in response to powerful economic social and political forces The contributors focus on developments since the election of the Progressive Conservatives in 1971 Foundations of Governance Andrew Sancton, Robert Andrew Young, 2009-01-01 In Foundations of Governance experts from each of Canada's provinces come together to assess the extent to which municipal governments have the capacity to act autonomously purposefully and collaboratively in the intergovernmental arena

Pocklington, University of Regina. Canadian Plains

Research Center,1991 This study of the eight Metis settlements in northern Alberta examines their history legal status government and politics external and internal organizations the issue of self government and the opinions and attitudes of residents on a number of topics and presents an unconventional approach to native self government Governing Ourselves? Mary Louise McAllister,2011-11-01 Popular rhetoric suggests that the twenty first century has ushered in an era of homogeneity Urbanization globalization amalgamation media conglomeration and technological convergence have become familiar terms Given the pressures of integration and assimilation how are people within communities able to make decisions about their own environment whether individually or collectively To what extent can they govern themselves Governing Ourselves explores issues of influence and power within local institutions and decision making processes using numerous illustrations from municipalities across Canada It shows how communities large and small from Toronto to Iqaluit have distinctive political cultures and therefore respond differently to changing global and domestic environments Case studies of Prince George Sherbrooke Saint John and Kitchener Waterloo are used to illuminate historical and contemporary challenges to local governance This stimulating book covers traditional topics such as government structures and institutions and intergovernmental relations It also reaches more broadly into areas of inquiry relevant to geography urban planning environmental studies public administration sociology and Canadian studies Eric J. LeSage,2008-01-01 Written by an impressive array of experts this book surveys local government reforms in six advanced democracies federal and unitary which share a municipal legacy Australia Canada Ireland New Zealand the UK and the US The book has an excellent bibliography and will help open up a field heretofore noted for its insularity Recommended A J Ward Choice Municipal Boundary Battles Sandeep Agrawal,2024-09-16 Municipal Boundary Battles explores the motivations land use effects and financial implications of municipal boundary adjustments across Canada focusing mainly on annexations and amalgamations the most frequent means to adjust boundaries and reform local

governments in this country With a focus on mid size cities and small towns rather than major Canadian metropolitan areas the authors uncover hidden motivations untangle behind the scenes political machinations and document the resulting conflict Through empirical evidence case studies and examples the collection helps develop generalizations and inform best practices for municipal boundary adjustments and reform The contributors explain how the esoteric aspects of adjustments work in more practical applications offering political scientists geographers municipal officials and planning practitioners fresh perspectives that contradict much of the prevailing understanding of boundary adjustments Contributors Sandeep Agrawal Cody Gretzinger John Heseltine John Meligrana Jordan Rea Amrita Singh Jon Taylor Zack Taylor Afterword by Andrew Sancton
