Alberts Circus:

Albert and Ettore Mark Curfoot-Mollington, 2016-05-11 Albert Stafford is a University of Bologna lecturer who has written a journal at his home in the Valtiberina a region of Italy shared by Tuscans and Umbrians The theft of his mobile telephone an unfortunate accident and a chance encounter with the circus performer Ettore sends his life of respectability and predictability into free fall Life becomes all too Fellini dwarfs hysterical spinsters buxom red headed women theft and intrigue cemetery flower peddlers fat ladies mutes Meanwhile unusual happenings that have occurred in the nearby towns of Arezzo Sansepolcro Città di Castello and Caprese Michelangelo come together in Albert's garden and the deceptions and abandonments of Albert's life start to unfold Why did Albert come to Italy over forty years ago In 1967 Toronto was shocked by incidents surrounding the death of a young woman which made headlines and dominated the front pages of the national newspapers Two young British students have become involved in a bizarre series of twisted deeds which come to haunt their family for four generations Terrifying as events become Albert is central to everything going on yet his voice can only be heard through a group of narrators and their compelling yet disturbing accounts Three elderly siblings and a life long Italian friend recount their most vivid recollections from 1967 until the present Albert and Ettore is a family chronicle of deceit and abandonment a story that unravels the nefarious deeds of a dark and sinister world leading toward a harrowing conclusion

Albert Angelo B S Johnson, 2023-06-29 With an introduction by the writer Toby Litt The eponymous Albert is an architect by training but a supply teacher out of necessity Feeling that he is failing at both and haunted by a failed love affair he begins to question what he wants to achieve Using a number of original narrative techniques Johnson attempts to reproduce life and its travails as closely as possible through fiction while at the same time reveling in the impossibility of such a task A passionate advocate for the avant garde B S Johnson said of the acerbically comic and exuberant Albert Angelo that it was where he really discovered what he should be doing And on page 163 of this extraordinary book is one of the most surprising lines in English fiction But you should start at the beginning

Passione By Albert F. Innaurato Albert Innaurato, 1981 THE STORY The scene is a rundown cluttered apartment in the Italian American section of South Philadelphia where Berto deserted by his southern born wife some ten years earlier is preparing a family party for his father Oreste who is paying

The Passion of Ingmar Bergman Frank Gado, 1986 Acknowledged as one of the greatest filmmakers of this or any other time Bergman has with few exceptions written his own screenplays an uncommon practice in the film industry and for this practice critics refer to him as a literary filmmaker In this work Gado examines virtually the entire range of Bergman's literary output While treating the matter of the visual presentation of Bergman's films Gado concentrates on story and narrative and their relationship to Bergman's personal history Gado concludes that whatever the outward appearance of Bergman's works they contain an elementary psychic fantasy that links them all revealing an artist who hoped to be a dramatist the new Strindberg and who saw the camera as an extension of his pen

painters choreographers and filmmakers have persistently identified with the entertainer whose roots lie in primitive ritual a source of all art Accordingly the artist also sees the player as morally or spiritually elevated With three chapters on literature a chapter comparing poetry to painting and a chapter each on dance the visual arts and film Art as Spectacle offers unprecedented scope on a compelling topic in comparative studies By integrating such varied material into an original commentary on the image of the entertainers this book provides an invaluable resource for all the disciplines it touches
