[Pearls of Wisdom, 1978](#) Mark L. Prophet, Elizabeth Clare Prophet, 1980-04      **Ancient Goddess Wisdom** Rae Chandran, 2024-11-05 We welcome you on this sacred journey of rediscovering the female goddesses with their feminine essences and wisdom Just as the goddesses played a role during ancient times they still play a role now Unfortunately over time their role has been diminished and as a result they have lost their prominence The terms goddess feminine power and shakti have been known for centuries They are mentioned in ancient scriptures all over the world in all civilizations Sometimes the female population was considered equal to the male population and shared practically every responsibility Sometimes the male population dominated and sometimes the female population dominated in the tribe kingdom or society All people carry the traits of the male and female energies but mostly we express the traits of our gender That does not mean that the other traits are not present It only means that generally in the male body male energy is dormant and vice versa Now that the consciousness of planet Earth is evolving it is time that both these energies are balanced Feminine energy is also an aspect of the Creator energy Like gods each goddess has a prominent quality as a master in a specific field and all gods and goddesses collectively support humanity to evolve to higher frequencies Rae was inspired to channel these goddesses and their guidance is provided in this book for the benefit of the people You can use simple modalities to connect with the goddesses to awaken specific qualities in you This will help you to evolve to a higher consciousness The goddesses

presented in this book are legendary There are many who have been on the planet for long periods in different cultural settings They were not well known but they played a part in the background to support human thought consciousness and behavior Some of them work through other beings some work while you sleep and others anchor energy As you ascend you become fully aware of your inherent energies and you become conscious that eventually everything every life form on the planet and in the universe is from one source There is no division This information is intended to help seekers along their way to higher dimensions
