Alcimus Enemy Of The Maccabees:

Alcimus, Enemy of the Maccabees Benjamin Edidin Scolnic, 2005 Known mainly because of the holiday of Hanukkah the Maccabean era is a fascinating and significant period of history that is vital to our understanding of the formation of Judaism This study evaluates Alcimus heritage and loyalty to traditions in a much more positive manner Alcimus an ignored or denigrated figure in Jewish history is restored as a leader who attempted to perpetuate his religion and his people 1
Maccabees Daniel R. Schwartz, 2022-01-01 A new translation and commentary on I Maccabees that offers a fresh interpretation of the author s values and purpose First Maccabees composed in the second century BCE chronicles four decades of clashes between Hellenistic Syria and Judea from Antiochus Epiphanes s ascent to the throne in 175 BCE to the Hasmoneans establishment of an independent Judean state ruled by Simon and his sons In this volume Daniel R Schwartz provides a new translation of the Greek text and analyzes its historical significance In dialogue with contemporary scholarship the introduction surveys the work s themes sources and transmission while the commentary addresses textual details and issues of historical reconstruction often devoting special attention to the lost Hebrew original and its associations Schwartz demonstrates that 1 Maccabees despite its Hebraic biblical style and its survival within the Christian canon deviates from biblical and Judaic works by marginalizing God evincing scorn for martyrs and ascribing to human power and valor crucial historical roles This all fits its mandate justification of the Hasmonean dynasty especially the Simonides

Journal of Greco-Roman Christianity and Judaism, Volume 17 Stanley E. Porter, Matthew Brook O'Donnell, Wendy Porter, 2022-06-07 Volume 17 2020 This is the seventeenth volume of the hard copy edition of a journal that has been published online www.jgrchj.net since 2000 As they appear the hard copy editions replace the online materials The scope of JGRChJ is the texts language and cultures of the Greco Roman world of early Christianity and Judaism The papers published in JGRChJ are designed to pay special attention to the larger picture of politics culture religion and language engaging as well with modern theoretical approaches Crucifixion in the Mediterranean World John Granger Cook, 2018-12-10 John Granger Cook traces the use of the penalty by the Romans until its probable abolition by Constantine Rabbinic and legal sources are not neglected The material contributes to the understanding of the crucifixion of Jesus and has implications for the theologies of the cross in the New Testament Images and photographs are included in this volume **The Development of the High Priesthood during the pre-Hasmonean Period** Maria Brutti, 2021-11-29 This book deals with the Jewish High Priesthood between 301 152 BCE The research was carried out as part of a doctoral thesis at the Pontifical Gregorian University It is of a historical biblical theological nature Historical in as much as it refers to a chronological period and to the historiographic sources biblical and theological because it questions a Biblical institution its meaning and its religious function The history of the High Priesthood is analysed on the basis of conflicting documents starting from the question of power and the autonomy of the high priests under the rule of the Ptolemies and the Seleucids However the historical

reconstruction is strongly determined by the political ideology and theological vision of the available sources on this subject

Culture and Ideology under the Seleukids Eva Anagnostou-Laoutides, Stefan Pfeiffer, 2022-01-19 The volume offers a timely re appraisal of Seleukid cultural dynamics While the engagement of Seleukid kings with local populations and the issue of Hellenization are still debated a movement away from the Greco centric approach to the study of the sources has gained pace Increasingly textual sources are read alongside archaeological and numismatic evidence and relevant near eastern records are consulted Our study of Seleukid kingship adheres to two game changing principles 1 We are not interested in judging the Seleukids as strong or weak whether in their interactions with other Hellenistic kingdoms or with the populations they ruled 2 While appreciating the value of the social imaginaries approach Stavrianopoulou 2013 we argue that the use of ethnic identity in antiquity remains problematic Through a pluralistic approach in line with the complex cultural considerations that informed Seleukid royal agendas we examine the concept of kingship and its gender aspects tensions between centre and periphery the level of acculturation intended and achieved under the Seleukids the Seleukid Ptolemaic interrelations As rulers of a multi cultural empire the Seleukids were deeply aware of cultural politics **Ben**

Sira in Conversation with Traditions Francis M. Macatangay, Francisco-Javier Ruiz-Ortiz, 2022-08-01 This volume of essays on Ben Sira is a Festschrift on the occasion of the 65th birthday of Prof Nuria Calduch Benages The volume gathers the latest studies on Ben Sira s relationship with other Jewish traditions With a variety of methods and approaches the volume explores Ben Sira s interpretation of received traditions his views on the prevailing issues of his time and the subsequent reception of his work **The Golden Thread** Patt Mills, 2009-04 After worrying with this situation of God all of my live I am reconciled

that there is no God of the relationship I have always been taught God started this whole thing with a Big Bang Not if he looked anything like us or cared what we do especially in this pitiable state of evolution By studying our past we find that Man has always had a sense of longing to be better someone or something to worship but he was wise enough to call it what it is his ideas This does not encompass the other side of the coin or dark side of our beings which I have covered in this book We have discovered that we are so small in the whole scheme of things an infinitesimal amount of energy like one grain of sand in the whole desert of all our world Here we are one small atom in the galaxies of space temporarily ruled by one set of mammals does it really make a difference what we learn I suppose it does make a difference to us not that we can do anything about it except to try *History, Biography, and the Genre of Luke-Acts* Andrew W. Pitts, 2019-07-15 Unlike contemporary literary linguistic configurations of genre current methodologies for the study of the Gospel genre are designed only to target genre similarities not genre differences This basic oversight results in the convoluted discussion we witness in Lukan genre study today Each recent treatment of the genre of Luke Acts represents a distinct effort to draw parallels between Luke Acts and a specific or multiple literary tradition s These studies all underestimate the role of literary divergence in genre analysis leveraging much if not all of their case on literary proximity This monograph will show how

attention to literary divergence from a number of angles may bring resolution to the increasingly complex discussions of the genre s of Luke Acts Phinehas, the Sons of Zadok, and Melchizedek Dongshin Don Chang,2016-08-11 Dongshin Don Chang examines 1 and 2 Maccabees the Dead Sea Scrolls and Hebrews to see how the combined concepts of covenant and priesthood are defined and interlinked within various biblical and extra biblical traditions The three studies show the interesting and varying dynamics of the use of combined concepts of covenant and priesthood The articulations of the two entities are shown to reflect in part the concern of the Second Temple Jewish authors how significant the priestly institutions and priesthood were not only in cultic matters but also in relation to political and authoritative concerns Chang s analysis makes clear that some of the Second Temple compositions have pursued ideas of the legitimacy of priestly identities by juxtaposing the concepts of covenant and priesthood from various traditions Interpretation and representation of certain traditions becomes a way in which some Second Temple Jews and some members of the early Jewish Christian communities developed their priestly covenantal identities It is with an understanding of this Chang argues that we can better understand these Second Temple texts **How the Halakhah Unfolds** Tzvee Zahavy,Jacob Neusner,2010-07-22 In separate multi volume works the project has presented form analytical English translations of the Mishnah Tosefta Yerushalmi and Bavli outlined the Yerushalmi and the Bavli and compared these outlines In this volume the main points of the Halakhah of the topological expositions or tractates of the Mishnah Tosefta Bavli Hullin are set forth and the theological message of the tractate is laid out The project yields a systematic account of the Halakhah in its documentary unfolding Narrative and Document in the Rabbinic Canon: The Two Talmuds Jacob Neusner,2010-07-15 The author states in his preface For a thousand years from its earliest documents of the second century to the High Middle Ages Rabbinic Judaism preferred to compose and collect anecdotes not to construct of them sustained and connected biographies This is a study of the inclusion of biographical narratives about sages in some of the components of the unfolding canon of Rabbinic Judaism in the formative age the documents of the first six centuries C E exclusive of the two Talmuds A sage here is defined as a man who embodies the Rabbinic system A sage story then is an anecdote about the life and deeds of a Rabbinic sage A biographical narrative in general is the record of things done on a concrete and specific past tense occasion by named individuals The stories are not told as part of a sustained biographical account of those individuals lives birth to death I am able in this way to correlate the unfolding of the authorized biography in the counterpart Christian one The documentary hypothesis yields the correlation between the advent of the Christian authorized biography and the advent of the sage story in the later documents of the Rabbinic canon **The Documentary History of Judaism and Its Recent Interpreters** Jacob Neusner,2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the

documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner's entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah's and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis *Feeding the Five Thousand* Roger David Aus, 2012-07-10 The story of Jesus feeding the five thousand is found in all four Gospels and is told in two of them twice Roger David Aus primarily explores the many facets of early Palestinian Judaism which inform the story especially in regard to the miracle worker Elisha He describes four major motifs in the narrative as well as the Markan and Johannine redaction In addition he analyzes the account's Semitic background genre and historicity and its part in a miracle collection *How the Halakhah Unfolds* Jacob Neusner, Tzvee Zahavy, 2006 In separate multi-volumed works from analytical English translations of the Mishnah Tosefta Yerushalmi and Bavli have been set forth Outlines of the Yerushalmi and the Bavli have been brought about and those outlines of the two Talmuds have been compared In addition for each subject the main points of the Halakhah of the topical expositions or tractates of the Mishnah Tosefta Yerushalmi Bavli have been set forth The theological message of the respective tractates has been spelled out Here we follow a single tractate through the principal documents of formative Judaism as these have already presented them How the academic commentaries outlines and comparisons and theological summaries yield a systematic account of the Halakhah in its documentary unfolding is thus fully exposed **Transforming Boasting of Self into Boasting in the Lord** Marcin Kowalski, 2013-07-12 This book uses rhetorical analysis to illuminate one of the most fascinating and complicated speeches by Saint Paul 2 Cor 10:13 The main problem of the speech regards Paul's claim to be a true servant of Christ and to have the right to boast about it Paul proves he is strong enough to be the leader of Corinth and paradoxically demonstrates that weakness should belong to the identity of an apostle Another issue regards the legitimacy of his boasting The egocentric boast based on the comparison with his opponents is the one that Paul calls foolish but he is forced nevertheless to undertake it The tool that ultimately enables him to transform self-aggrandizing speech into speech that is focused on Christ is his paradoxical boasting of weakness The careful crafting of his discourse based on Christological principles ultimately speaks

for qualifying it as a self praise speech periautologia with a pedagogical not defensive purpose **Essays in the Judaic Background of Mark 11:12-14, 20-21; 15:23; Luke 1:37; John 19:28-30; and Acts 11:28** Roger David Aus,2015-07-02 These five essays deal with the influence of Judaic haggadah or lore especially in the form of creative historiography or imaginative dramatization on four enigmatic passages in the Gospels and one in Acts They point to their deeper theological truths and negate the alternatives of true or false historical or non historical usually applied to the narratives Narrative and Document in the Rabbinic Canon: From the Mishnah to the Talmuds Jacob Neusner,2010 This study of the inclusion of biographical narratives examines sage stories anecdotes about the life and deeds of Rabbinic sages in components of the unfolding canon of Rabbinic Judaism during the formative age These documents from the first six centuries C E are exclusive of the two Talmuds From the Shtetl to the Lecture Hall Luise Hirsch,2013-02-11 Until the 19th century women were regularly excluded from graduate education When this convention changed it was largely thanks to Jewish women from Russia Raised to be strong and independent the daughters of Jewish businesswomen were able to utilize this cultural capital to fight their way into the universities of Switzerland and Germany They became trailblazers ensuring regular admission for women who followed their example This book tells the story of Russian and German Jews who became the first female professionals in modern history It describes their childhoods whether in Berlin or in a Russian shtetl their schooling and their experiences at German universities A final chapter traces their careers as the first female professionals and details how they were tragically destroyed by the Nazis Persia and Rome in Classical Judaism Jacob Neusner,2008 Persia and Rome in Classical Judaism examines the representation of Rome and Persia Iran in the successive groups of documents that comprise the Rabbinic canon of late antiquity Neusner considers how diverse documents of Rabbinic Judaism represent Rome and Iran and presents the way in which documentary differentiation affords perspective on the history of Judaism Axial events of the age the destruction of the second Temple in 70 and the defeat of the effort to restore it in 135 the transformation of the Roman Empire into a Christian state in the fourth century the failure to rebuild the Temple when the opportunity arose in the reign of Emperor Julian and the delegitimation of Israelite institutions in Byzantine Rome allow us to examine in historical and political context the evidence of the formation of normative Judaism BOOK JACKET
