## **Alcohol Use And World Cultures A Comprehensive Bibliography Of Anthropological Sources:**

**Alcohol Use and World Cultures** Dwight B. Heath, A. M. Cooper, 1981 Lists 1398 items that deal with alcohol from a socio cultural perspective Includes author and subject indexes *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1982 [Anthropologists and Indians in the New South](#) Rachel Bonney, J. Anthony Paredes, 2001-10 Choice Outstanding Academic Title for 2002 A clear assessment of the growing mutual respect and strengthening bond between modern Native Americans and the researchers who explore their past Southern Indians have experienced much change in the last half of the 20th century In rapid succession since World War II they have passed through the testing field of land claims litigation begun in the 1950s played upon or retreated from the civil rights movement of the 1960s seen the proliferation of wannabe Indian groups in the 1970s and created innovative tribal enterprises such as high stakes bingo and gambling casinos in the 1980s The Native American Graves Protection and Repatriation Act of 1990 stimulated a cultural renewal resulting in tribal museums and heritage programs and a rapprochement with their western kinsmen removed in Old South days Anthropology in the South has changed too moving forward at the cutting edge of academic theory This collection of essays reflects both that which has endured and that which has changed in the anthropological embrace of Indians from the New South Beginning as an invited session at the 30th anniversary meeting of the Southern Anthropological Society held in 1996 the collection includes papers by linguists archaeologists and physical anthropologists as well as comments from Native Americans This broad scope of inquiry ranging in subject from the Maya of Florida presumed biology and alcohol related problems to pow wow dancing Mobilian linguistics and the lost Indian ancestor myth results in a volume valuable to students professionals and libraries [Anthropologists and Indians in the New South](#) is a clear assessment of the growing mutual respect and strengthening bond between modern Native Americans and the researchers who explore their past [Research Advances in Alcohol and Drug Problems](#) Reginald Smart, 2013-11-22 This book continues the series of reviews of research advances first published in 1974 The editors aim here is to present critical and integrative reviews by internationally recognized scholars of areas in which there has been much recent research In this task we have been greatly helped by the staff of Plenum Press and the Advisory Panel listed at the front of this volume Several members of the Panel have retired Dr W M D Paton Dr K Bruun Dr K F Killam and Dr J R Seeley Dr Klaus Makela has accepted our invitation to join the Panel Unfortunately one member of the Panel Professor William McGlothlin died as a result of a tragic accident He was a gifted and sensitive researcher His work over many years was well known to those studying alcohol and drug problems We want to acknowledge his contributions to the Research Advances Series and to the field in general The editors wish to acknowledge the help of Julliana Newell Ayoub in preparation of this volume This volume contains three papers by H Fingarette R Room and B Kissin on The Disease Concept They were originally prepared for an earlier volume but could not be included because of scheduling problems The editors and not the authors are responsible for

this delay Because they are primarily philosophical and theoretical in nature they are not diminished in value by the lesser number of references to recent research      Current Catalog National Library of Medicine (U.S.),1982 First multi year cumulation covers six years 1965-70      **Alcohol Use Among U. S. Ethnic Minorities** Danielle Spiegler,1993-07      **How to Start and Run an Alcohol and Other Drug Information Centre** ,1990      Women and Alcohol ,1986

**Constructive Drinking** Mary Douglas,2013-10-16 First published in 1987 Constructive Drinking is a series of original case studies organized into three sections based on three major functions of drinking The three constructive functions are that drinking has a real social role in everyday life that drinking can be used to construct an ideal world and that drinking is a significant economic activity The case studies deal with a variety of exotic drinks      **Alcoholism Etiology and Treatment** Bernard Segal,2022-05-29 First published in 1988 Alcoholism Etiology and Treatment provides a stimulating discussion concerning an understanding of the etiology and treatment of alcoholism Divided into five chapters it brings themes like the disease concept of alcoholism interdisciplinary biobehavioral research on alcohol problems sociocultural and organizational bases of support for alcohol treatment genetic predisposition to alcoholism and anthropological perspectives on prevention and intervention to provide a forum for discussion of some of the issues that prevail in the field of alcoholism This book is an essential read for students and scholars of addiction studies psychology sociology and behavioural studies

*Encyclopedic Handbook of Alcoholism* E. Mansell Pattison,Edward Kaufman,1982      **Dining in a Classical Context** William J. Slater,1991 An investigation of the role of the feast as a cultural focus for the classical world      *Recent Developments in Alcoholism* Marc Galanter,2013-11-11 From the President of the Research Society on Alcoholism The field of alcohol research has been slowly but continuously evolving taking into its domain an ever increasing array of scientific disciplines This series is designed to fill the need for a review publication that covers the broad range of research into alcohol actions and alcoholism Research in alcohol concerns social epidemiological and legal concerns in addition to biomedical and behavioral topics to greater degree than research with many other drugs A publication devoted to alcohol research should serve the broadest existing research community but perhaps more important it should also provide a means to recruit new investigators with fresh approaches to the field We can and must demonstrate that legitimate high quality research is being done but we must also highlight the opportunity for new workers to make a real impact on the problem The Research Society on Alcoholism seeks to provide such a service not only through this publication but also through other activities Richard A Deitrich Ph D      *Drinking* Susanna Barrows,Robin Room,2023-11-15 Drinking Behavior and Belief in Modern History explores the complex and multifaceted role of alcohol in shaping cultures societies and behaviors throughout modern history The book brings together diverse essays from historians and sociologists examining how alcohol consumption has influenced daily life social movements and political ideologies By exploring the material and symbolic significance of alcohol the volume sheds light on its place in social history drawing connections between drinking practices and broader societal changes The

book also delves into the responses to alcohol related problems from the temperance movements of the 19th century to modern day medicalization and state interventions showing how alcohol has been both a source of cultural identity and a focal point for social control Through interdisciplinary perspectives the collection offers valuable insights into how alcohol consumption reflects and shapes power dynamics class structures and cultural norms By analyzing drinking subcultures the book uncovers the different ways alcohol has been consumed and understood across time and places from working class taverns to elite private rituals The authors also explore how alcohol related policies and societal reactions have evolved offering a deep and thoughtful look into the complex relationship between alcohol and society **Drinking Behavior and Belief in Modern History** is an essential read for anyone interested in understanding the social cultural and political dimensions of alcohol throughout modern history This title is part of UC Press s **Voices Revived** program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 **Voices Revived** makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991      **Cultural Diversity in the United States** Larry

Naylor,1997-01-14 This collection of readings provides the reader with a basic introduction to the topic and concepts of cultural diversity as it has come to characterize the culture of the United States Particular attention is given to the practice of racial ethnic and special interest group characterizations No other book is as complete in its coverage of the diverse cultural groupings that make up the American culture This unique work serves as a first step in beginning the quest for greater understanding and appreciation of diversity      **Car Cultures** Daniel Miller,2020-05-26 Anyone who assumes that a

car is simply a means to get from point A to point B or who even thinks that they know what a car is should read this book Profoundly shaped by culture the car gives rise to a wide range of emotions from guilt about the environment in the UK to aboriginal concerns with car corpses to struggles to keep the creatures alive with everything but the proper spare parts in West Africa Cars and their landscapes prove central to human life from its most intimate to the widest sense of global crisis and are capable of inspiring epic passions From road rage in Western Europe to the struggles of cab driving in Africa to the emergence of Black identity in the US this book examines the essential humanity of the car which includes the jealousies gender differences fears and moralities that cars give rise to Firmly grounded in detailed ethnographic and historical scholarship this is the first book to provide an informed sense of cars as one of the most familiar and significant forms of material culture      **'Living Water' : Vodka and Russian Society on the Eve of Emancipation** David

Christian,1990-07-26 This is a study of the social economic and political role of Vodka in nineteenth century Russia Since the Green Serpent first appeared in sixteenth century Muscovy it has played a vital part in Russian life Vodka became an essential part of Russian working class celebrations personal religious and commercial Trade in Vodka redistributed wealth upwards through Russian society over several centuries Indeed Russia s status as a great power was underpinned by it by

the nineteenth century it generated one third of government revenue enough to cover most of the costs of the vast army The dependence on Vodka of both people and state has endured into the Gorbachev era But despite Vodka s key role in Russian history and the complex network of corruption associated with it the subject has been ignored by most historians until now This study concentrates on an important transitional era in the history of Vodka the early nineteenth century During this period Vodka taxes played the role that salt taxes had played in the ancien r eacute gime in France The abolition of the tax farm in 1863 should be seen as one of the most important of the Great Reforms of the 1860s an era which in many ways parallels the glasnost of the 1980s **Preschoolers and Substance Abuse** Bruce Carruth,Pedro J Lecca,Thomas D

Watts,2014-03-05 Find remarkable prevention and treatment strategies for preschool age children of substance abusers in this informative volume It provides an overview of the various problems exposure to substance abuse can cause for preschool children Because of the strong influences parents have on their children early childhood is a critical time for intervention to counteract the damaging effects of alcohol and drug abusing parents Research shows that attitudes about alcohol and other drugs are already formed by junior high school level and senior high school is too late for significant attitude change Preschoolers and Substance Abuse promotes preschool age as the ideal time to apply strategies that will aid the family in building the self esteem trust autonomy and initiative necessary to protect the child from further problems caused by addictive parents Intervention strategies are presented in a succinct manner making them easy for practitioners health officials government officials and family members to put into immediate practice This book offers a unique approach to substance abuse treating it as a community and societal problem rather than an individual problem Intervention and treatment strategies are geared toward the substance abuse problem itself as well as how it impacts children and family systems The harmful impact of alcohol or drug abusive parents is evaluated for all stages of childhood development from pre natal influences through infancy and the preschool years Some of the harmful results of alcohol and drug abuse affecting preschool children addressed in this volume include violence sexual abuse Fetal Alcohol Syndrome and intra uterine exposure to drugs The authors outline a comprehensive list of imperatives for a future agenda to protect preschool children from suffering the consequences of their parents substance abuse Public health officials decision makers practitioners and legislators will find a series of policy recommendations including increased research substance abuse training for child care workers increased outreach and education for expectant mothers and community based outreach programs to insure ethnic or socioeconomic sensitivity and appropriateness **Alcohol Metabolism, Alcohol Intolerance, and Alcoholism** Dharam

P. Agarwal,H. Werner Goedde,2012-12-06 Alcohol abuse alcohol intolerance alcohol dependence and other alcohol related disabilities are some of the most challenging public health problems facing our modern day society The purpose of this comprehensive monograph is to review the available knowledge concerning the pharmacogenetic basis of alcohol sensitivity and its physiological implications and to synthesize the bulk of existing knowledge regarding metabolic features and

biomedical disturbances related to alcoholism The chapters cover a broad array of disciplines including an overview of historical and epidemiological aspects biochemistry and molecular genetics of enzymes involved in alcohol metabolism biochemical and neuropsychopharmacological effects of alcohol Major emphasis is placed on the role of genetic factors in alcoholism The experimental details are summarized and a comprehensive bibliography is included **Handbook of Medical Anthropology** Carolyn F.
