Stearns,2005-10 From his founding of The Journal of Social History to his groundbreaking work on the history of emotions weight and parenting Peter N Stearns has pushed the boundaries of social history to new levels presenting new insights into how people have lived and thought through the ages Having established the history of emotions as a major subfield of social history Stearns and his collaborators are poised to do the same thing with the study of human behavior This is their manifesto American Behavioral History deals with specific uses of historical data and analysis to illuminate American behavior patterns ranging from car buying rituals to sexuality and from funeral practices to contemporary grandparenting The anthology illustrates the advantages and parameters of analyzing the ways in which people behave and adds significantly to our social understanding while developing innovative methods for historical teaching and research At its core the collection demonstrates how the study of the past can be directly used to understand current behaviors in the United States Throughout contributors discuss not only specific behavioral patterns but importantly how to consider and interpret them as vital historical sources Contributors include Gary Cross Paula Fass Linda Rosenzweig Susan Matt Steven M Gelber Peter N Stearns Suzanne Smith Mark M Smith Kevin White **Live Life in Crescendo** Stephen R. Covey,2022-09-27 How to live your best life no matter your age How best to approach the challenges and opportunities of middle to later life like raising children caring for parents managing and inspiring others and staying on top of your career and what comes next In Live Life in Crescendo Stephen R Covey sets out to answer these questions

outlining his vision for those in the prime of your life whatever age you may be To live life in crescendo is to continually grow in contribution learning and influence In the same way that music builds on previous notes but leaves us anticipating the next note a life builds on the past but unfolds in the future The Crescendo Mentality urges readers to use whatever you have your time talents skills resources gifts passion money influence to enrich the lives of people around you Published posthumously Live Life in Crescendo is a life changing and life affirming book infused with Covey s generosity and wisdom *Kids These Days* Karen Sternheimer,2006-05-23 This book focuses on early childhood to late teen issues like kidnapping and child safety childhood obesity school safety and zero tolerance policies teen drivers hazing bullying and risk taking behavior Fear of and fear for youth is a rite of passage a common lament th *The Mythology of Crime and Criminal Justice* Victor E. Kappeler,Gary W. Potter,2017-07-18 The social construction of crime is often out of proportion to the threat posed The media and advocacy groups shine a spotlight on some crimes and ignore others Street crime is highlighted as putting everyone at risk of victimization while the greater social harms from corporate malfeasance receive far less attention Social arrangements dictate what is defined as crime and the punishments for those who engage in the proscribed behavior Interest groups promote their agendas by appealing to public fears Justifications often have no basis in fact but the public accepts the exaggerations and blames the targeted offenders The net widening effect of more laws and more punishment catches those least able to defend themselves This innovative alternative to traditional textbooks provides insightful observations of myths and trends in criminal justice Fourteen chapters challenge misconceptions about specific crimes or aspects of the criminal justice system Kappeler and Potter dissect popular images of crimes and criminals in a cogent compelling and engaging manner They trace the social construction of each issue and identify the misleading statistics and fears that form the basis of myths and the collateral damage of basing policies on mythical beliefs The authors encourage skepticism about commonly accepted beliefs offer readers a fresh perspective and urge them to analyze important issues from novel vantage points A Kidnapping That Started a Rebellion Gary Erakleous,2022-08-01 The kidnapping of an American mother and three children spark heroic events aimed at freeing them from their captivity The inability of the authorities to help him out leads her husband Philip to take on the challenging task of finding them The only ones to support him in his struggle are his loyal friends and two conflicting groups who express the opposing opinions of the islanders toward the hostilities between the two ethnicities on the island The protagonists actions trigger political repercussions that become the precursor to a dynamic uprising of the people against the status quo of war and hate The people reject their passive role and resolutely raise a rebellion for the unification of their torn apart country away from the political opportunism and deviousness of their leaders By defending their ideal they clash with the scheming the unholy alliances and the entrapments of the establishment that lead to a confrontation with the citizens who seek to decide their own destiny and to overthrow their rulers whose sole concern is to remain in power This is a captivating story about a world that seeks a peaceful solution to the continued conflict

and an end to the intimidating political environment of the warmongers The book exemplifies an exceptional realistic narrative with dialogues and scenes that advance an intriguing development of the plot as it interweaves with thrilling action and adventure     The New York Times Index ,2002     *Time* ,2006     The Majesty of Trees Sabra Morgan,2003-08-26
