(including Yachts).** ,1969 Miscellaneous Publications University of Alaska (College),1927 **The Routledge Companion to Accounting Communication** Lisa Jack,Jane Davison,Russell Craig,2013-05-02 One of the prime purposes of accounting is to communicate and yet to date this fundamental aspect of the discipline has received relatively little attention The Routledge Companion to Accounting Communication represents the first collection of contributions to focus on the power of communication in accounting The chapters have a shared aim of addressing the misconception that accounting is a purely technical number based discipline by highlighting the use of narrative visual and technological methods to communicate accounting information The contents comprise a mixture of reflective overview stinging critique technological exposition clinical analysis and practical advice on topical areas of interest such as The miscommunication that preceded the global financial crisis The failure of sustainability reporting The development of XBRL How to cut clutter With an international coterie of contributors including a communication theorist a Big Four practitioner and accounting academics this volume provides an eclectic array of expert analysis and reflection The contributors reveal how accounting communications represent or misrepresent the financial affairs of entities thus presenting a state of the art assessment on each of the main facets of this important topic As such this book will be of interest to a wide range of readers including postgraduate students in management and accounting established researchers in the fields of both accounting and communications and accounting practitioners A Bibliography of Alaskan Literature, 1724-1924 James Wickersham,1927 Contains the titles of all histories travels voyages newspapers periodicals public documents etc printed in English Russian German French Spanish etc relating to descriptive of or published in Russian America or Alaska from 1724 to and including 1924 MotorBoating ,1914-08 Disabling Obesity Paolo Capodaglio,Joel Faintuch,Antonio Liuzzi,2013-04-04 Obesity is currently regarded as one of the major health challenges of the developed world Excess body weight is an important risk factor for morbidity and mortality from cardiovascular diseases diabetes cancer musculoskeletal disorders and even psychiatric problems and is estimated to cause nearly 3 million deaths per year worldwide Obesity is not necessarily associated with comorbidities there are indeed metabolically healthy obese individuals Thus we need to consider individuals presenting simple with obesity separately from those at risk of developing or who have already developed complex clinical states potentially leading to disability Comorbidities can tip the balance of independence in patients who already have functional limitations mainly due to the excess of mass itself or who develop conditions such as diabetes cardiovascular conditions non alcoholic fatty liver disease where an abnormal metabolism of adipose tissue prevails Morbid obesity with

comorbidities leading to disability represents a real social and economic burden for National Health Systems worldwide The presence of multiple and associated comorbidities often represents an obstacle to being admitted to hospitals for the treatment of metabolic diseases On the other hand clinical units with optimal standards for the treatment of pathological conditions in normal weight patients are often structurally and technologically inadequate for the care of patients with extreme obesity The aim of this book is to focus on the pathophysiological and rehabilitative aspects of disabling obesity highlighting multidisciplinary rehabilitation interventions as key to counteracting the disabling aspects of complicated obesity
