*Alarms and Excursions* Naomi Shepherd, 1990 SOCIAL LIFE HISTORY AND DAILY LIFE IN THE NEW ISRAELI NATION FROM 1957 1989     Jerusalem in the Twentieth Century Martin Gilbert, 1998-10-01 From one of the world's most revered historians the first major history of contemporary Jerusalem Gilbert is a first rate storyteller The Wall Street Journal Fascinating and admirably readable unmatched for sheer breadth of acutely observed historical detail Christopher Walker The Times London Most noteworthy for its richness of letters journals and anecdotes the major events of this century come alive in eyewitness accounts The New York Times Book Review Extraordinarily vivid glimpses of Jerusalem life Atlanta Journal Constitution     *The Jewish Quarterly* ,1990     Jewish Quarterly ,1991     **Anglo-Jewish Bibliography, 1971-1990** Ruth Pauline Goldschmidt-Lehmann, Stephen W. Massil, Peter Shmuel Salinger, 1992 The fifth volume in a series published since 1988 Lists books and articles mainly in English See the index for works on antisemitism     Israel Martin Gilbert, 1999 This text traces the events and personalities which led to Israel's declaration of Statehood in 1948 It explores the country's history examining its society culture and economy     Israel and the West Bank and Gaza Strip C. H. Bleaney, 1994     □□□□□□ Hala Kaleh, Simonetta Calderini, 1993     The Remington Registry of Outstanding Professionals Remington Registry, 2011-04     **The Quarterly Index Islamicus** ,1991     Emergency Security Assistance Act of 1973, Hearings..., 93-1, November 30, and December 3, 1973 United States. Congress. House. Foreign Affairs, 1973     **The Russians in Israel** Naomi Shepherd, 1993 During the last four years half a million Jews have emigrated to Israel from the former Soviet Union one third of all Soviet Jews and more than 10 per cent of Israel's population This book contains the personal stories of a number of these immigrants     **A Jewish Guide in the Holy Land** Jackie Feldman, 2016-04-11 For many Evangelical Christians a trip to the Holy Land is an integral part of practicing their faith Arriving in groups most of these pilgrims are guided by Jewish Israeli tour guides For more than three decades Jackie Feldman born into an Orthodox Jewish family in New York now an Israeli citizen scholar and licensed guide has been leading tours interpreting Biblical landscapes and fielding questions about religion and current politics In this book he draws on pilgrimage and tourism studies his own experiences and interviews with other guides Palestinian drivers and travel agents and Christian pastors to examine the complex interactions through which guides and tourists co produce the Bible Land He uncovers the implicit politics of travel brochures and religious souvenirs Feldman asks what it means when Jewish Israeli guides get caught up in their own performances or participate in Christian rituals and reflects on how his interactions with Christian tourists have changed his understanding of himself and his views of religion     *Uneasy Neighbors* Sharon Pardo, Joel Peters, 2010-01-01 Uneasy Neighbors Israel and the European Union presents a concise and thorough analysis of significant aspects of Israeli European relations from the late 1950s to the present day Its primary concern is to examine major facets of the troubled Israeli European relations which are characterized by a love hate relationship fueled by economic passion and occasional political

hostility This study of Israeli European relations is important not only because it explores this unusual relationship but also because it offers insights into how the European Union E U is actually judged by Israelis as well as serves as an important indicator of how well European intentions have been translated into observable actions in both Israel and the Middle East In addition Israeli European relations reflect what has been faced by the E U in the process of setting up its foreign policy instruments In other words the book offers both an analysis of Israeli European relations and an observation on the Union s emerging role as an international actor especially in the Middle East Despite the importance of Israeli European relations the subject has received relatively little attention in the fields of Israeli European and Middle East studies outside the context of the Arab Israeli Palestinian conflict A review of the academic literature reveals a limited number of studies on Israeli E U relations This book attempts to fill this academic gap in our grasp of major aspects of this relationship Each of the chapters reflects on different dimensions of this relationship The emphasis is on across the board observations and crucial areas for the understanding of Israeli European relations In this regard while the chapters were designed to add up to an inclusive study each of them can also be read individually
