machines such as Garth Brooks and Shania Twain And yet alt country s embrace of authenticity and disdain for commercialism while simultaneously injecting into a traditional working class music form an often cosmopolitan flavor and Generation X values has resulted in a fascinating hybrid full of contradictions In *Old Roots New Routes* Pamela Fox and Barbara Ching bring together a range of scholars to investigate as never before this significant contemporary music form providing in addition new ways to approach the worlds of country and alternative music more generally Individual essays explore the work of a variety of artists including Neko Case Jay Farrar Justin Trevi o and alt country hero Gram Parsons along with promotional rhetoric album art advertising and fan Web sites to offer readers a comprehensive understanding of how alt country functions as a distinct musical form Pamela Fox is Associate Professor of English and currently the Director of the Women s and Gender Studies Program at Georgetown University She is the author of *Class Fictions Shame and Resistance in the British Working Class Novel 1890 1945* Barbara Ching is Associate Professor at the University of Memphis Her previous books include *Wrong s What I Do Best Hard Country Music and Contemporary Culture and Knowing Your Place Rural Identity and Cultural Hierarchy* coedited with Gerald Creed **The British National Bibliography** Arthur James Wells,2000 **Guerrilla Advertising** Gavin Lucas,Mike Dorrian,2006-08-10 Guerrilla Advertising shows the best international examples of the varied and inventive tactics that are being used today by big name brands non profit organizations and individuals to promote themselves their ideas and their products 68 international campaigns are featured grouped according to their approach Street Propaganda Site Specific Media Sneaky Manoeuvres Stunts and Multi Fronted Attack
