physiology and biochemistry clinical pathology and trends in treatment Alcohol Roderick Phillips,2014 In this innovative book on the attitudes toward and consumption of alcohol Rod Phillips surveys a 9 000 year cultural and economic history uncovering the tensions between alcoholic drinks as healthy staples of daily diets and as objects of social political and religious anxiety In the urban centers of Europe and America where it was seen as healthier than untreated water alcohol gained a foothold as the drink of choice but it has been regulated by governmental and religious authorities more than any other commodity As a potential source of social disruption alcohol created volatile boundaries of acceptable and unacceptable consumption and broke through barriers of class race and gender Phillips follows the ever changing cultural meanings of these potent potables and makes the surprising argument that some societies have entered post alcohol phases Jacket Alcoholism Etiology and Treatment Bernard Segal,2022-05-29 First published in 1988 Alcoholism Etiology and Treatment provides a stimulating discussion concerning an understanding of the etiology and treatment of alcoholism Divided into five chapters it brings themes like the disease concept of alcoholism interdisciplinary biobehavioral research on alcohol problems sociocultural and organizational bases of support for alcohol treatment genetic predisposition to alcoholism and anthropological perspectives on prevention and intervention to provide a forum for discussion of some of the issues that prevail in the field of alcoholism This book is an essential read for students and scholars of addiction studies psychology sociology and behavioural studies **Clinical Psychology** C. Eugene Walker,2013-11-21 The purpose of this book is to provide the reader with a survey of some of the major areas of clinical psychology No attempt has been made to include every area relevant to clinical psychology the choices are selective but represent the wide range of areas touched by clinical psychologists For some years I have felt the need for a book that provides students with more of a historical introduction and context from which to view current clinical psychology than is included in most textbooks The issues and problems of clinical psychology have been with us since the beginning of time however most psychological literature is written with the bias that anything older than five or ten years is not relevant Those who attempt to take a long range view of clinical psychology are sometimes able to recall the early development of the field in the 1930s and 1940s In this text I asked the authors to begin with a brief survey of ancient and medieval history to set the stage for a discussion of current research and developments in the field I hope that a presentation of this sort will provide the reader whether advanced undergraduate graduate or professional with a sense of perspective and context from which to view and understand clinical psychology *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1990 Alcohol Use/Abuse Among Latinos Melvin Delgado,2014-06-03 In Alcohol Use Abuse Among Latinos Issues and Examples of Culturally Competent Services you will learn how to design and improve services for Latinos with substance abuse problems by understanding that the cultures and personal backgrounds of your clients are crucial to the counseling process This text will also show you how these service skills apply to the individual family or an entire community Studies show that according to patients culturally sensitive and
