Alcohol and Homicide Robert Nash Parker, Linda-Anne Rebhun, 1995-01-01 The authors show how and why alcohol and violence are so often linked today      **Drunks, Drugs & Debits** Doug Thorburn, 2000 How to identify the addicts in your life and their negative impact      **The Nature of Homicide** Homicide Research Working Group. Annual Workshop, 1997      The Topography of Violence in the Greco-Roman World Werner Riess, Garrett G. Fagan, 2016-06-15 Examines how location confers cultural meaning on acts of violence and renders them socially acceptable or not      **Neurobiology of Aggression** Mark P Mattson, 2003-03-24 Aggression is a highly conserved behavioral adaptation that evolved to help organisms compete for limited resources and thereby ensure their survival However in modern societies where resources such as food shelter etc are not limiting aggression has become a major cultural problem worldwide presumably because of its deep seeded roots in the neuronal circuits and neurochemical pathways of the human brain In *Neurobiology of Aggression Understanding and Preventing Violence* leading experts in the fields of the neurobiology neurochemistry genetics and behavioral and cultural aspects of aggression and violence provide a comprehensive collection of review articles on one of the most important cross disciplinary issues of our time Rather than summarize the topics covered by each author in each chapter I present a schematic diagram to guide the reader in thinking about different aspects of aggressive and violent behavior from its neurobiological roots to environmental factors that can either promote or prevent aggression to visions of some of the most horrific acts of violence of our times and then towards the development of strategies to reduce aggressive behavior and prevent violence It is hoped that *Neurobiology of Aggression Understanding and Preventing Violence* will foster further research aimed at understanding the environmental genetic and neurochemical roots of aggression and how such information can be used to move forward towards the goal of eliminating violence      Substance Use and Abuse: Oxford Bibliographies Online Research Guide Amie L.
