Revolution Beyond the Event Charlotte Al-Khalili, Narges Ansari, Myriam Lamrani, Kaya Uzel, 2023-05-02 Revolution Beyond the Event brings together leading international anthropologists alongside emerging scholars to examine revolutionary legacies from the MENA region Latin America and the Caribbean It explores the idea that revolutions have varied afterlives that complicate the assumptions about their duration pace and progression and argues that a renewed focus on the temporality of radical politics is essential to our understanding of revolution Approaching revolution through its relationship to time the book is a critical intervention into attempts to define revolutions as bounded events that act as sequential transitions from one political system to another It pursues an ethnographically driven rethinking of the temporal horizons that are at stake in revolutionary processes arguing that linear views of revolution are inextricably tied to notions of progress and modernity Through a careful selection of case studies the book provides a critical perspective on the lived realities of revolutionary afterlives challenging the liberal humanist assumptions implicit in the modern idea of revolution and reappraising the political agency of people caught up in revolutionary situations across a variety of ethnographic contexts

surprising formal experimentation among artists architects and others who often drew upon and reconfigured the practices and principles of modernism when designing exhibition spaces and the objects within In this book Tymkiw reveals that a central motivation behind such experimentation was the interest in provoking what he calls engaged spectatorship attempts to elicit experiences among exhibition goers that would pique their desire to become involved in wider processes of social and political change For historians of art architecture performance and other forms of visual culture Nazi Exhibition Design and Modernism unravels long held assumptions particularly concerning the ideological stakes of participation New Art for a New Era Barbican Art Gallery, Gosudarstvennyi russkii muzei (Saint Petersburg, Russia), 1999 This work looks at the remarkable body of work that was collected from 1919 under the guidance of the artist Kazimir Malevich **Bibliographic Guide to Art and Architecture** New York Public Library.
