donuts at stake When townsfolk start to go missing Dracula suspects Constantine has far more sinister motives lurking that could threaten everything vampires and humans have worked for With the help of his chef and human friend Elena Dracula must find a new energy source before every vampire and human turns on him and he loses his coveted brunch club forever With a foreword from Kevin Jonas of the Jonas Brothers **DNA and Blood** Sara L. Latta,2012-01-01 To a trained forensic scientist blood spatter at a crime scene tells a clear story about what happened The DNA in the blood can narrow down a list of suspects clearing the innocent or helping send the guilty to prison Readers will discover how blood spatter analysis and DNA fingerprinting began how they are used now and how they have solved decades old mysteries **Accepting Aerin** Tinsley Sellers,2018-11-16 Former Chicago Cubs third baseman Chet Coakley needs a quiet place to write the last novel in his best selling series When a freak accident ends his baseball career Chet finds his second chance writing a series of retro detective novels He s on a deadline and can t afford a distraction especially not in the form of a vivacious blonde innkeeper who challenges everything he believes about himself Professional chef Aerin Buckholtz owns a vintage lodge and fifteen cabins on a secluded lake in the Michigan woods Betrayed by her best friend and self conscious about her appearance Aerin believes that romance isn t meant for her She s building her business and working to earn good reviews seems safer than admitting her attraction to a handsome former athlete who feels far out of her league Can Aerin and Chet learn to see themselves through each other s eyes and accept a love neither one saw coming Sensory and Consumer Research in Food Product Design and Development Howard R. Moskowitz,Jacqueline H. Beckley,Anna V. A. Resurreccion,2009-03-03 The food and beverage industries today face an intensely competitive business environment To the degree that the product developer and marketer as well as general business manager can more fully understand the consumer and target development and marketing efforts their business will be more successful Sensory and Consumer Research in Food Product Design and Development is the first book to present from the business viewpoint the critical issues faced by sensory analysts product developers and market researchers in the food and beverage arena The book s unique perspective stems from the author team of Moskowitz Beckley and Resurreccion three leading practitioners in the field who each combines an academic and business acumen The beginning reader will be introduced to systematic experimentation at the very early stages to newly emerging methods for data acquisition knowledge development and to points of view employed by successful food and beverage companies The advanced reader will find new ideas backed up by illustrative case histories to provide yet another perspective on commonly encountered problems and their practical solutions Aimed toward all aspects of the food and beverage industry Sensory and Consumer Research in Food Product Design and Development is especially important for those professionals involved in the early stages of product development where business opportunity is often the greatest Enter Evil Linda Ladd,2009-08-04 In this psychological thriller following Die Smiling an apparent suicide draws a detective toward a demented killer who likes to play games His doctors are the best in the world his father one of the most

powerful men in the state But they couldn't stop Mikey from succumbing to his darkest demons the ones inside his head The ones who told him it was time to end it all It should have been an open and shut case especially since detective Claire Morgan's lover Dr Nicholas Black recognized Mikey as a former troubled patient Then Claire finds another body in Mikey's home Curled inside an oven charred beyond recognition the method of murder mind boggling Claire's only lead is a beaded bracelet around each victim's wrist believed to ward off the evil eye But by the time she discovers what the dead were afraid of she's trapped in a mind game of her own with a brilliant sadistic killer And this time there's a method to the madness Praise for Enter Evil This book was everything I had hoped for and more as it ratchets up the suspense with surprising twists and turns Linda is a brilliant writer and I can't wait for more of her books Fresh Fiction
