Blue Guide England:

Blue Guide - England Rand McNally,1980-01-01 **Blue Guide** Rossiter,1989-04-01 *England* Ian Ousby,1989

England Stuart Rossiter,1981-01-01 **A Pocket Guide to Great Britain** United States. Department of Defense,1963

The Pleasures and Treasures of Britain David Kemp,1992-01-12 Is a famous queen of Britain really buried beneath platform 10 at King's Cross station in London What is the telephone number of the National Theatre what is the best place to eat in Worcester Where is the National Bagpipe Museum Hint not in Scotland Was Pontius Pilate born in Pitlochry The answers to these questions and literally thousands more are to be found in David Kemp's fascinating guidebook *The Pleasures and Treasures of Britain* Nowhere else will the discerning traveller find so much diverse and essential information about British culture gathered together in one volume With the author as your witty and knowledgeable guide take a tour through nearly fifty cities from Penzance to Perth from London to Cardiff and Belfast Each city section begins with a concise readable history and a guided walk around the town planned to take in as many of the significant local sights as can comfortably be included Next are exhaustive listings including telephone numbers and addresses of everything a culturally curious visitor might want to seek out theatre art galleries museums antique markets antiquarian and other bookstores restaurants local fairs and festivals and more Finally under the headings of Artistic Associations and Ephemera each section concludes with an entertaining collection of local lore gossip legend and anecdote **The blue guides England** Stuart Rossiter,1965 **England** ,1950 *British Sources of Information* P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual

England Alan Edwin Day,1993 *England* Stuart Rossiter,1972 **The Statesman's Year-Book** M.

Epstein,2016-12-23 The classic reference work that provides annually updated information on the countries of the world

A Feminist Case Study in Transnational Migration Mary Gallant,2009-03-26 Although until now virtually unacknowledged in the field of women education Anne Jemima Clough was active throughout her long life in the field Among other positions she held the position of principal of Newnham College Cambridge for more than a decade from 1880 until her death in 1892 But in spite of her prominent position her achievements were overshadowed by her more visible and vocal contemporaries in higher education such as Emily Davies and Josephine Butler Nevertheless she was always a loyal and tenacious follower and an uncomplaining worker In a subdued way she lived and laboured fervently for the furtherance of women's education Quietly and with remarkably little encouragement or guidance she pursued and finally realized her dream

a dream that would at last allow her to help make education accessible to all women In this volume I have compiled edited and annotated most of Anne Jemima Clough s unpublished papers In addition to transcribing her diaries or notebooks I have incorporated chronologically into the text some examples of the voluminous amount of correspondence she wrote and received during a long life filled with activity The Anne Jemima Clough papers will not only provide raw material for scholars studying the women s movement during the nineteenth century but they will also be a useful and engaging read for all students and scholars of the women s movement education Victorian feminism and gender studies

The Detective as Historian Ray Browne, Lawrence Kreiser, 2009-03-26 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it

An Annotated Guide to the Writings and Papers of Leonard Woolf Janet M. Manson, Wayne K.

Chapman, 2018-02-15 This book describes inductively Leonard Woolf s career as a writer From novels and political studies to shorter journalism and criticism his published work is enumerated here in detail His signed and unsigned articles as literary editor of *The Nation* and *The Athenaeum* London and editor of *The Political Quarterly* Oxford are featured as well as an indexed selected list of political books in his library

Drug Misuse and Motherhood Marcia Jackson, Hilary Klee, Suzan Lewis, 2003-09-02 The inadequacy of drug treatment services for women is an international issue noted at all major conferences The needs of women have assumed an increasingly important part of the range of topics for further research and attention by service providers and policy makers There is a great lack of information in this field and this book will fill that gap

Looking North Dave Russell, 2004-10 Investigating areas as diverse as travel literature fiction dialect the stage radio television feature film music and sport this book assesses the portrayal of the North of England within the national culture and how this has impacted upon attitudes to the region and its place within notions of Englishness The relationship between these cultural forms and the construction of regional identity has received only limited consideration and this fascinating work provides not only much new information but also a map for future writers The North although seen ultimately as other and the subject of much critical comment is also shown here as capable of stimulating the creative imagination and

invigorating English culture in sometimes surprising ways
