Little, 2015-05-26 In *Transformed from Glory to Glory* Christopher R Little is joined by several contributors to honor the life of J Robertson McQuilkin former president of Columbia International University This collection of writings covers topics significant to McQuilkin such as biblical interpretation world missions ethics leadership and Christian living **History of the Christian Church. A.D. 1-311. Modern Christianity. The Swiss Reformation** Philip Schaff, 1893 **History of the Development of the Doctrine of the Person of Christ** Isaak August Dorner, 1878 *Christian Ethics: Special part. 1st division: Individual ethics, translated from the German edition by William Affleck. 4th ed* Hans Martensen, 1891

Christianity at a Crossroads Mike Beckett, 2025-09-30 *Christianity at a Crossroads A Look at Modern American Christianity Through the Eyes of the Seven Churches of Revelation* This book will take an in depth look at the history culture and society of the ancient Asia Minor churches in Revelation and compare their cultural challenges to the challenges we currently face in the American church today This book will challenge you to reflect on your walk with Christ while encouraging you to grow deeper in your journey as a disciple of Christ This is a great study for anyone wanting to go deeper in their faith Whether a Sunday school small group or regular Bible study group *Christianity at a Crossroads A Look at Modern American Christianity Through the Eyes of the Seven Churches of Revelation* will encourage you to live out your faith in a post Christian polyGod antiGod secular culture like the first century church while clearly defining those who remain faithful to the ancient faith **Old Testament Theology** Hermann Schultz, 1892 *Syntax of the Hebrew Language of the Old Testament* Heinrich Ewald, 1891 The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and

humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective The Apology of the Christian Religion James Macgregor, 1891 *God Reforms Hearts* Thaddeus Williams, 2021-08-11 Must we be free to truly love Evil is a problem for all Christians When responding to objections that both evil and God can exist many resort to a free will defense where God is not the creator of evil but of human freedom by which evil is possible This response is so pervasive that it is just as often assumed as it is defended But is this answer biblically and philosophically defensible In *God Reforms Hearts* Thaddeus J Williams offers a friendly challenge to the central claim of the free will defense that love is possible only with true or libertarian free will Williams argues that much thinking on free will fails to carve out the necessary distinction between an autonomous will and an unforced will Scripture presents a God who desires relationship and places moral requirements on his often rebellious creatures but does absolute free will follow Moreover God s work of transforming the human heart is more thorough than libertarian freedom allows With clarity precision and charity Williams judges the merits and shortcomings of the relational free will defense while offering a philosophically and biblically robust alternative that draws from theologians of the past to point a way forward **Assault on the Remnant** Ted Schultz, 2016-06-17 It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text

Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority

The Soteriological Use of Call by Paul and Luke Ian Hussey, 2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice

The proof of Christianity Julius Wilhelm Kaftan, 1894 *A Commentary on the Greek Text of the Epistle of Paul to the Colossians* John Eadie, 1884 *Luke, Acts* Allison A. Trites, William J. Larkin, 2016-11-04 These accessible commentaries are for anyone who wants to enter a serious study of God's Word Each volume helps the reader think through the literary and theological issues in the text and provides correlation to multiple numbering systems for word study It is an excellent resource for teachers Bible study leaders pastors and growing Christians Includes the entire NLT text of Luke and Acts translation notes and fresh expository commentary Rev Dr Allison Trites served as professor of Greek and New Testament at the Acadia Divinity College in Wolfville Nova Scotia for 37 years He has also provided leadership beyond the walls of the college having served as president of the United Baptist Convention of the Atlantic Provinces chair of the Deacons Board of the Wolfville Baptist Church Baptist representative on the Canadian Council for Theological Education as well as countless other volunteer positions Dr William J Larkin is an ordained minister in the Presbyterian Church in America and has an active ministry in adult Christian education particularly Bible teaching He holds a B A 1967 Wheaton College B D 1970 Princeton Theological Seminary Ph D 1975 University of Durham England and has served in various pastorates as well as being on faculty at Columbia Biblical Seminary and School of Missions since 1975 He also served on the Bible Translation Committee for the NLT
