Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12 **Forthcoming Books** Rose Army, 2003 **Ancient Near Eastern Literature and the Hebrew Scriptures about the Fatherhood of God** David Tasker, 2004 Ancient Near Eastern Literature and the Hebrew Scriptures About the Fatherhood of God discusses some of the main father god concepts of the people of the Ancient Near East then examines the eighteen occurrences of God's fatherhood specifically mentioned in Hebrew Scripture From these sources the book develops a theology of God's fatherhood that honors both ancient and modern scrutiny Although many studies have explored the subject of the fatherhood of God mostly from the perspective of nonbiblical disciplines and through the lens of Greco Roman mythology this book takes into account the wealth of material from the ancient Near East the birthplace of the Hebrew Scriptures *The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church* Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaeian premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **Through the Lens of An Ancient Yisra'elite Bible Study** Benjamin Nieves Carrasquillo Jr., 2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an

The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples

Exploring the Heavenly Sanctuary Marc Rasell, 2009 Marc Rasell's Exploring The Heavenly Sanctuary is a judicious interpolation and interpretation for layman and scholar of the main points of Seventh Day Adventist theology Christ is revealed as our High Priest who intercedes for us in the heavenly Temple This is the heart of the Seventh day Adventist message Rasell addresses issues such as Can we be sure there is a real temple in heaven What is the purpose of this temple When does the judgment start Do we need to keep the Ten Commandments Should we observe a literal Sabbath and much more of vital importance to Christians awaiting the details of redemptive prophecies coming to their conclusions The heavenly sanctuary reveals Jesus who ever intercedes for us Hebrews 7 25

Cushites in the Hebrew Bible Kevin Burrell, 2020-01-13 Cushites in the Hebrew Bible offers a reassessment of Cushite ethnographic representations in the biblical literature as a counterpoint to misconceptions about Africa and people of African descent which are largely a feature of the modern age Whereas current interpretations have tended to emphasize unfavourable portraits of the people biblical writers called Cushites Kevin Burrell illuminates the biblical perspective through a comparative assessment of ancient and modern forms of identity construction Past and present modes of defining difference betray both similarities and differences to ethnic representations in the Hebrew Bible providing important contexts for understanding the biblical view This book contributes to a clearer understanding of the theological historical and

ethnic dynamics underpinning representations of Cushites in the Hebrew Bible That You May Know Christopher David Bass, 2008 The fifth book of the New American Commentary Studies in Bible Theology series That You May Know closely examines the theme of eternal salvation in 1 John No other New Testament book speaks as frequently and explicitly to the believer's confidence in everlasting life The epistle writer grounds his reader's assurance of salvation on the person and work of Jesus Christ and demonstrates that the believer's lifestyle serves as a vital corroborating support for that assurance This gives the commentary's author Christopher Bass an opening to further discuss John's emphasis on living righteously and what it truly means to be born of God Users will find this an excellent extension of the long respected New American Commentary series *A Hand-List of Rabbinic Manuscripts in the Cambridge Genizah Collections: Volume 1* Cambridge University Library, Robert Brody, 1998-12-10 The Taylor Schechter New Series contains over 40 000 manuscript fragments that originated in the world famous Cairo Genizah These fragments are extremely important for research but students are hampered by the difficulties involved in identifying and gathering the fragments pertaining to particular works or genres This volume represents an important step toward classifying the contents of the collection and increasing its accessibility especially with regard to those fragments that belong to the various genres of rabbinic literature *The Prophet and the Sage* Brian M. Koning, 2023-03-29 Job and Habakkuk represent the Bible's most focused interlocutors on the concepts of justice and theodicy Both works center upon men chosen by God who see and suffer evil Job 1 8 cf Hab 1 1 Both books record the cries of these men as they wrestled to make sense of the world in which they lived Job 3 cf Hab 1 2 4 While they have a passing similarity what if there is something more fundamental to their connection What if these books are not merely two unconnected discourses on suffering but linked in a significant way By examining the texts themselves this study explores the possibility that a textual relationship exists between portions of Habakkuk and Job and how the underlying transformation of Job's theodicy shapes Habakkuk's dialogue with God **Christ Before the Manger** Ron Rhodes, 2002-07-12 This is the most biblically based theologically sound and spiritually helpful work on the person and attributes of the preincarnate Christ to appear in many years Norman L Geisler Southern Evangelical Seminary An unusually thorough and helpful treatment of a greatly neglected but vital subject Donald K Campbell President Dallas Theological Seminary This work addresses an area of neglect in the study of the person and work of Christ and its publication is overdue Readers will find interesting insights into this significant part of the life of Christ which will help them evaluate the Gospels as well as establish their basic view of Christ himself John S Walvoord Chancellor Dallas Theological Seminary **Genesis** Stephen K. Ray, 2023-08-10 Everything in the Bible and in the Catholic Church starts with the Book of Genesis The Greek word genesis means beginning and this inspired text reveals to us not only our origins but our purpose our meaning and God's plan for mankind Yet Genesis can be daunting especially given the scientific discoveries of the last few centuries Stephen K Ray author of *Crossing the Tiber* breaks down this sacred and profoundly influential book wrestling with the complex intersection of history and theology

Thoroughly Catholic in his approach Ray is unafraid to draw from sources of all kinds from Jewish and Protestant commentaries from archaeology from geography and even from modern literature Genesis A Bible Study Guide and Commentary uncovers the excitement and drama of this ancient narrative so often ignored or misunderstood In Ray s reading the Book of Genesis is a shout of joy We can know where we came from We can know who we are We can know our destiny And we are not alone in the universe

Theology of Participation Daniel G. Oprean,2019-05-31 Baptists in Romania have developed a practice of suspicion when it comes to religious dialogue especially with the Romanian Orthodox tradition due to a history that is characterized by oppression In this detailed study Dr Daniel Oprean paves the way for positive dialogue between the two traditions highlighting that much can be gained and learned by acknowledging similarities and differences in key aspects of theology Dr Oprean explores how existing theological resources can be used to enhance theological discourse between Baptist and Orthodox traditions in Romania through in depth analysis of the thought of British Baptist theologian Professor Paul Fiddes and Romanian Orthodox theologian Father Dumitru St niloae Oprean in particular looks at their understanding of trinitarian and human participation through perichoresis the Eucharist Christian spirituality and baptism and chrismation Presented as a conversation between the two traditions this study is a model for how theological and religious dialogue can facilitate reconciliation not just in the church but also in wider society

A Cognitive Semantic Study of Biblical Hebrew Andrew Chin Hei Leong,2021-09-13 Semantic studies of the Biblical Hebrew verb have been influenced by those of its most invoked nominal form In this volume Andrew Chin Hei Leong shows that the concepts of balance alliance and completeness form the basic semantic structure of Previous studies on employed either historical or textual methodology which has been dominant in biblical lexical studies In addition to these methods in Leong develops a systematic semantic methodology from Cognitive Semantics and Frame Semantics to demonstrate that it is balance rather than completeness that is the most central concept in holding the semantic network together
