L. Miller,2021-08-24 If we believe the Bible is the inerrant divinely inspired word of God from Genesis to Revelation what is said within its pages about God and his unchangeable character must be consistent and never contradictory Furthermore in order to love God with all our heart believing him to be a just merciful and loving God what we believe from the Scriptures must adhere to the three Cs Context Consistency and Character For centuries people have formulated doctrine by taking passages out of context They have made conclusions about God s character in an inconsistent fashion and often in ways that malign our righteous and holy Creator When Jesus came to earth he did not form a new religion he was a Jew and knew that God had given the sacred pronouncements of truth to the nation of Israel What he taught about hell death resurrection and judgment is entirely consistent with what God taught his people through the Mosaic Law the prophets and the psalms In **Hell No The Surprising Truths the Bible Teaches about Death Resurrection and Judgment** you will see that the Bible is clear humans never have and never will go to heaven they are not inherently immortal God will never torture souls in a hellfire and all those who died and have paid the price for their sin death will be resurrected on earth during the judgment period with a clean slate and an opportunity to truly know God as they learn war no more under Christ s millennial reign **Hell No** is a serious deep dive into Scripture but also a conversational foray into truth written by a layperson for laypeople serious about searching the deep things of God to uncover the Bible s truths in order to better know and love their Creator **Transforming Bible Study** Bob Grahmann,2003-09-11 The Word of God is alive dynamic and powerful Do you want a Bible study method that will bring Scripture to life in your personal study and in your group studies With both biblical expertise and cultural awareness Bob Grahmann clearly introduces the inductive method of Bible study and offers a variety of exercises to help you put it into practice right away **Subject Guide to Books in Print** ,1997
