Basic Christianity Nicholas Hawkes, 1995-01 **John, Book 1, Chapters 1-10** Marilyn Kunz, Catherine Schell, 1978

Basic Christian Doctrine John H. Leith, 1993-01-01 John Leith provides a brief but comprehensive statement of Christian faith for contemporary Christians. He considers the theologians of the ancient church and affirms the faith of the ancient creeds. *Essential Christianity* Keith Sherlin, 2006-06 What are the essentials to the Christian faith? How can you know and find God's will? What doctrines comprise the foundation to a Christian life? What should church leadership look like? What experiences mark a healthy Christian? These questions and more are answered in this book. If you are looking for one book that can cover the whole Christian life, then this book is for you as you seek to love a faithful faith that honors God while learning to experience his goodness daily. **Basic Christianity Bible Study** John Stott, 2019-10-01 How can you know God's love? How can you trust Jesus? These six studies based on John Stott's bestselling book *Basic Christianity* explore who Christ is and what he has done for us. Each session includes quotations from the book matched with Scripture passages, study questions, and application ideas that draw readers to discover the person of Christ in new ways. *The School of God* Raymond A. Blacketer, 2007-04-03 Calvin's Old Testament Exegesis in Context. Calvin in Context. Jean Calvin, the reformer and pastor of Geneva, is renowned as one of the most important figures in what came to be known as the Reformed and Presbyterian branch of the Protestant Reformation. Perhaps less well known is the fact that he devoted the bulk of his creative efforts to preaching and commenting on the Bible. Calvin envisioned a program of reform in Geneva in which the Bible properly interpreted would shape the minds and morals of the Genevan populace. The people of Geneva, whom Calvin viewed as a precise spiritual reincarnation of the stiff-necked intractable Hebrews of the Old Testament, were in need of some serious remedial education, and it was his duty as their chief minister to provide the requisite training in doctrine and godliness. Despite Calvin's emphasis on preaching and producing biblical commentaries, however, scholars have often portrayed him as a man of one book, that one book being the *Institutes of the Christian Religion*. In so doing, they have produced a one-dimensional and consequently incomplete view of Calvin's theological work. Scholars have tended to study Calvin's theology exclusively from the perspective of his *Institutes* without taking into account his work of biblical interpretation and preaching or the relationship of those efforts to the *Institutes*. *Christian History Made Easy Participant Guide* Timothy Paul Jones, 2013-12-16 People and Events Every Christian Should Know. In this 12-session DVD-based study, Dr. Timothy Paul Jones takes you through the most important events in Christian history from the time of the apostles to today. He brings to life the fascinating people and events that shaped our world. This isn't dry names and dates; it's full of dramatic stories told with a touch of humor. This series based on Dr. Jones's popular award-winning book *Christian History Made Easy* ties in spiritual lessons believers can glean by looking at the past and shows how God was still working in his church despite all the ups and downs. You will learn the fascinating stories of people such as St. Patrick, Martin Luther, and Augustine—people who changed

history Constantine Charlemagne and Francis of Assisi How we got the Bible that we read today John Wycliffe William Tyndale and others The Middle Ages and the Reformation Kings and Queens Monks and Reformers Where church doctrines and practices originated How the Catholic Orthodox and Protestant churches came to be Reason and Revival How modernity and the scientific revolution affected Christianity How Christianity has spread around the world You don't have to be an expert to lead this 12 session study Perfect for small groups Bible studies or personal use Ages Young adult to adult The Sessions The 12 sessions cover major eras and topics with plenty of stories and humor You'll cover the early church monasticism medieval conflicts the Protestant Reformation the Great Awakening 19th century missions modernity and postmodernism Set Free Marilyn Kunz, Catherine Schell, 1982 *10 Keys to Witnessing to Cults* Rose Publishing, 2008-02 Cults are based on a simple theological fallacy that God is not what the Bible says that He is Once simple scriptural observations are made we can be sure that there is a God and that He is everything that He claims to be in His Word Having a dialogue with someone who believes differently about God can be difficult but this pamphlet helps in many ways Clearly explaining how cultists think giving biblical responses to their arguments providing information about additional resources and offering questions that cultists must answer for themselves authors Ron Rhodes and Christy Harvey Darlington provide a simple resource to assist Christians in their conversations with those involved in cults Good and Evil Douglas Connelly, 2012-05-03 Douglas Connelly presents eight session LifeGuide Bible Study on the problem of evil and how we should regard God in light of evil Forgiveness Douglas Connelly, 2011-10-18 When we hurt the people we love how do we go about restoring the relationship When we suffer the pain of betrayal or injury or rejection from someone else how do we deal with the anger and resentment we feel This eight session LifeGuide Bible Study Douglas Connelly leads the way to help you discover understand and practice what the Bible says about forgiveness 1 Corinthians Marilyn Kunz, Catherine Schell, 1973 *1 and 2 Peter* Marilyn Kunz, Catherine Schell, 1971 **To Hear the Word - Second Edition** John Howard Yoder, 2010-01-01 Of very few people can it be legitimately said that their work fundamentally reconfigured the landscape of two theological disciplines But if there is anyone in recent memory who would be worthy of such an accolade it is John Howard Yoder The two disciplines are of course theological ethics and biblical studies though Yoder would cringe at their separation and his work was both explicitly and implicitly a prolonged exercise in maintaining their indissoluble union For him to hear the word rightly was to do the word publicly Yoder guides us toward a truly ecclesial yet missional reading of Scripture with a profoundly Anabaptist yet ecumenical and catholic spirit in historically astute and literarily sensitive ways that are nonetheless straightforward and pastoral Or as he would himself say he guides us toward a reading of Scripture that proceeds from and focuses on Jesus Vicit Agnus Noster Eum Sequamur Our Lamb has conquered let us follow him from the foreword by Michael J Gorman Augustine's Confessions: Ten Studies Johannes van Oort, 2023-12-21 This book presents new interpretations of essential and well known passages from Augustine's Confessions In ten chapters Augustinian

specialist Johannes van Oort analyzes and explains many essential passages in the work from the background of Augustine's thorough knowledge of Manichaeism. This Gnostic variant of Christianity exerted a great influence on the North African Augustine as evidenced in his most famous and arguably most influential work. In a new light appear such figures as Monica Ponticianus, Lady Continence, the rather obscure African bishop who speaks of Augustine as a son of such tears, events such as the illustrious pear theft, the coming of a glorious young man to dreaming Monica, Augustine's dramatic conversion, basic features such as his concept of God, deep sense of sexual sin, highly influential reflections on memory, fundamental view of Christ as God's Right Hand and perhaps most importantly his mystical spirituality. **The Kingdom of God** Greg

Jao, 2011-10-18 Gregory Jao leads you through ten sessions LifeGuide Bible Study that explore God's kingdom transforming your understanding of God, Christianity and your role in the world. **The Ten Commandments** Rob Suggs, 2012-04-10 God's rules do more than restrict; they give freedom. They are words of prevention and protection. They define identity: ours and God's. Each of the twelve LifeGuide Bible Study in this Lifeguide looks at one of God's commandments and a Bible passage that will help you better understand how to apply God's law. As you study these laws, you will encounter God himself.

Abiding in Christ J. I. Packer, Carolyn Nystrom, 2012-06-03 In this eight-session LifeGuide Bible Study, trusted guides J. I. Packer and Carolyn Nystrom lead you through a study of Jesus' farewell to his disciples in John 14-17 to help you discover what it means to abide in Christ during the time between Christ's departure and his second coming. **Joseph** Paul

Borthwick, 2012-09-28 In this nine-session LifeGuide Bible Study, Paul Borthwick invites you to explore Joseph's story as a way toward discovering how God's dreams might be fulfilled in you, whether in success or adversity. **Sikhism - The**
