Wacks, 2015-05-11 The year 1492 has long divided the study of Sephardic culture into two distinct periods before and after the expulsion of Jews from Spain David A Wacks examines the works of Sephardic writers from the 13th to the 16th centuries and shows that this literature was shaped by two interwoven experiences of diaspora first from the Biblical homeland Zion and later from the ancestral hostland Sefarad Jewish in Spain and Spanish abroad these writers negotiated Jewish Spanish and diasporic idioms to produce a uniquely Sephardic perspective Wacks brings Diaspora Studies into dialogue with medieval and early modern Sephardic literature for the first time **Jewish Reference Sources** Charles Cutter, Micha Falk Oppenheim, 1982 **American Jewish Year Book 1977**, 1976 **Text Me** Jeffrey Schein, 2019-10-24 Common sense tells us that technology can either be a blessing or curse in our lives The assertion flows easily but deceptively from us Beneath the flowing assertion lay many cross currents and much complexity These complexities are named and laid out for individual and group exploration throughout the book They provide mirrors for the reader and groups of readers to discover their own affirmations and arguments with their own digital profiles based on Jewish humanistic religious values The iterative analysis points back to the double entendre in the book's title text me can be a command to engage in the famously quick communication as in receiving a text on our smart phones and text me can also serve as an imperative to explore the wisdom contained in Jewish texts The synergies gaps creative tensions and paradoxes living within this double use of text me permeate the volume Though rooted in Jewish sources the tools of analysis can be used by Christians Muslims and people who describe themselves as spiritual but not religious Indeed the book is an invitation to all who live in the digital age which is to say all of us Commentaries provided by scholars of all three of the western monotheistic faiths highlight this universal dimension **Judaism and Christianity** Edward D.
