Basic Radio The Essentials Of Electron:

Basic Radio J. Barton Hoag, 1944 *Basic Radio. The Essentials of Electron Tubes and Their Circuits ... Fourth Printing*
J. Barton HOAG, 1942 *Hospital Librarians' Training Course, Fitzsimons General Hospital, Denver, Colorado, 22 January-3*
February 1945 United States. Army. Fitzsimons General Hospital, Denver, 1945 **Geophysics, Realism, and Industry**
Aitor Anduaga, 2015-12-17 Did industry and commerce affect the concepts values and epistemic foundations of different
sciences If so how and to what extent This book suggests that the most significant influence of industry on science in the two
case studies treated here had to do with the issue of realism Using wave propagation as the common thread this is the first
book to simultaneously analyse the emergence of realist attitudes towards the entities of the ionosphere and of the earth's
crust However what led physicists and engineers to adopt realist attitudes This book suggests that a new kind of realism a
realism of social and cultural origins is the answer a preliminary entity realism responding to specific commercial and
engineering interests and a realism that was neither strictly instrumental nor exclusively operational The book has two parts
while Part I focuses on the study of the ionosphere and how the British radio industry affected ionospheric physics Part II
focuses on the study of the Earth's crust and how the American oil industry affected crustal seismology *Geophysics,*
Realism, and Industry Aitor Anduaga Egaña, 2016 Getting Real is the first book to simultaneously study the emergence of
realist attitudes towards the entities layers of the ionosphere and the earth's crust It proposes a new kind of realism a
realism of social and cultural origins an entity realism responding to specific commercial and engineering interests New
