

The background of the slide is a composite image. On the left, there is a photograph of a large industrial facility, likely a power plant, featuring tall, grey, ribbed structures and a network of pipes. In the foreground, a large, dark-colored pipe with a prominent handwheel valve is visible. A yellow label on the pipe reads "FUEL GAS" with a flame icon. On the right side, overlaid on the photograph, is a faint technical schematic diagram of a boiler system. This diagram includes various components labeled with text such as "Air Heater", "Furnace", "Econ", "SH", and "Pn". Arrows indicate the flow of materials within the system.
