Basics Of Christianity:

Basic Christianity John R. W. Stott, 1958 World renowned scholar and preacher John R W Stott embarks on a compelling course of study that first defends the fundamental claims of Christianity and then defines the proper overworkings of these basic beliefs in the daily lives of believers Here is a sound sensible guide for those who are seeking an intellectually satisfying presentation of the Christian faith The Basics of Christianity Robert Kelsey, 2023-07-25 About the Book And now for the rest of the story The Basics of Christianity remedies the fact that most Sunday morning sermons fall far short of telling the whole story for the simple fact that most of the tellers don t know the whole story If one has a desire to be a Serious Minded Christian it is important to hear the whole story and how one is to apply this information to one s life About the Author Robert Kelsey is a retired pipeline oilfield welder and inspector He has always had an interest in reading the Bible but couldn t make much sense of it until he was given a modern English language Bible where he found out that it is basically a copy of a contract covenant or testament between God and man Paul Harvey told Robert one day that if he would spend fifteen minutes a day studying any given subject he would be an expert in that area in two years Robert increased the time and set out to spend at least two hours studying the Bible every day and had done so for more than ten years to date The two most important revelations he has received are the fact that God poured out His Spirit on men to make His words know to us Proverbs 1 23 and it is to our advantage to have the Spirit of wisdom and revelation in the knowledge of Him working in our lives Proverbs 1 17 20 Jesus has given to us the keys to the kingdom of heaven and it is what we choose to do with those keys that opens our understanding to what the Bible is saying to us Basics of Christianity John-William Noble, 2016-12-01 An introduction to the foundations of the Christian faith Christian Basics John R. W. Stott, Lance Pierson, 2003 Classic accessible introduction to the Christian faith by a respected author Explains Christian beginnings beliefs and behavior and includes discussion questions **Christianity 101** Gilbert Bilezikian, 2009-07-13 You Mean to Say You Don t Know the Meaning of Monophysitism Hypostatic Union Infralapsarian Traducianism Chiliastic Pneumatomachian Cheer up You don t have to have thousand dollar vocabulary in order to grasp the priceless basics of Christianity Christianity 101 bridges the gap between biblical scholarship and people who want to understand the Christian faith This book presents eight basic doctrines of Christianity The Bible God Christ Holy Spirit Human Beings Redemption The Church and The Last Things in clear simple language that gives seasoned Christians a fresh understanding of the Bible and its teachings and puts new Christians on familiar terms with Christian doctrine Gilbert Bilezikian does not shape his analysis of these doctrines in the worn out rationalistic categories of older systematic theologies but in vibrant dynamic language designed to communicate biblical truths to contemporary believers Christianity Jr. Elgin L Hushbeck, 2017-09-25 In Christianity The Basics Elgin Hushbeck presents the basic doctrines that have defined orthodox Christianity down through the ages giving a basic defense for this core of the Christian Faith He also addresses questions such as can we really know and understand what the Bible teaches

isn't it all just a matter of interpretation and what do we mean when we say someone is or is not a Christian This is a serious study but is written in language that anyone can understand It is suitable for use in classes in basic Christianity as well as for those who want to refresh their memory about the basics and prepare to share their faith intelligently and with grace

Basics of Christianity Bill Petite, 2021-07-03 A very serious problem within the Church today is the fact that a great number of Christians fail to live their every day lives according to the basics of Christianity There are many who don't even realize this and never stop to consider it It doesn't mean they are going to hell for not living the way God wants us to it simply means they are not experiencing the Christian life in the way it was intended by God Some of these people might ask So what am I missing The Bible is God's word and those who would fall into this group very seldom read it or study it This is the biggest problem which lies within this group How often do they read it How often do they pray How often do they attend church services This is not an attack on anyone It is simply the truth of many Christians and the way they live the Christian lives They straddle the line between the Church and the world For some there are worldly practices and entertainments which they refuse to let go of For others salvation is simply a fire insurance policy to keep them out of hell And for others their interests simply lie on other worldly matters instead of God His word or their relationship with Him Basics of Christianity is not an exhaustive look at what the basics are It is a simple look at what might be considered the more common of those basics It looks at Jesus and who He really is it discusses the Bible and its content and importance in our Christian life It also looks at fellowship and purity in the Christian life and essential doctrines and a few other topics which all are a need in our every day life as a Christian It is important to note that this is not a scholarly look at basic Christianity It is an attempt to keep the basics in a simple and easy form of understanding

Christian Basics John Stott,2014 Christianity the world s largest religion almost a third of the population describe themselves as Christian Over 2000 years since it first started no other religion has had such cultural and global impact and millions today claim their lives are completely changed by their decision to be a Christian But what is a Christian and how do you become one What do Christians actually believe and how does that impact their everyday life As an introduction to Christianity or a refresher course in the essentials Christian Basics is a concise but comprehensive guide How to become a Christian How to grow as a Christian Belief in God Jesus and the Holy Spirit Why church is important What a Christian life looks like At whatever stage of your spiritual journey I pray that something or other in this little book may help you to grow in the grace and knowledge of our Lord and Saviour Jesus Christ John Stott

The Basics Of Christianity Joshua a Fogle,2022-03-02 What are the basics of Christianity What do Christians believe What is it that Christians know that others do not know What don t I know What should I know as a Christian Have you ever thought any of these questions to yourself Have you ever asked Who is God Is God real What happens to us when we die As a believer myself I am sure that there are many Christians and none Christians who haven t the slightest idea what it is that Christianity is all about even if they think they do For Christianity in the popular media the mega churches political Christianity liberal Christianity and conspiracy theory Christianity is far different than what The Bible actually teaches and says Now rather than having an expose on these things we are instead going to discuss using The Bible and historical documentation exactly what Christianity is and is not for we will see that both The Bible and early Christianity declare that The Holy Bible alone is Christian doctrine in entirety and incorporated with that we will see the historical attestation for The Biblical Canon that is The Books of The Bible and a discussion on Bible Versions Then we will move on to what The Bible

actually teaches on how salvation from sin Biblically works how a Christian is to Biblically live their life what happens when we die and the hereafter The Holy Trinity and the importance and necessity of keeping The Law of God and The Seventh day Sabbath of God and what it truly means when Scripture says to not judge others as well as how faith and works combine in Holy Writ

Getting Back to the Basics of Christianity Daniel T. Shadlow Sr, 2019-08-14 I have seen Christianity from the outside and from the different denominations I have attended I have talked to many Christians that do not have a strong hold of what they believe God has led me to write this book to help Christians get a firm foundation on what a Christian should believe The Bible is the written word of God Yet even some Christians do not believe the bible cover to cover They treat it more like a buffet where you only accept what is comfortable to accept My hope is that this book is the beginning or starting point for Christians to make a stand and unite I do not get into the differences of denominational teaching If we remember Mark 9:38-40 John told Jesus about someone casting out demon in Jesus name but did not follow Jesus as he did Jesus said to leave them alone for those that are not against us are for us read it yourself
