THE BASIL AND
JOSEPHINE STORIES

With a New Afterword by James L. W. West III

Basil And Josephine Stories

John T. Irwin

Basil And Josephine Stories:

The basil and Josephine stories Francis Scott Fitzgerald, Jackson R. Bryer, John. Kuehl, 1987 **The Basil, Josephine, and Gwen Stories** F. Scott Fitzgerald, 2022-12-01 This volume brings together three series of short stories by F. Scott Fitzgerald: the Basil Duke Lee stories of 1928-29, the Josephine Perry stories of 1930-31, and the Gwen Bowers stories of 1936. The texts published here are based on surviving typescripts that preserve Fitzgerald's final revisions for their first publication in the *Saturday Evening Post*. Collations have revealed cuts and revisions by the *Post* editors aimed at removing profanity and blasphemy, sexual innuendo, real names of people and places, and references to racial prejudice. These passages have been restored to the Cambridge texts. This volume includes a scholarly introduction, a record of variants, facsimiles, and other illustrations, and an appendix that presents early endings for the stories *The Captured Shadow* and *Basil and Cleopatra*. Full historical notes identify popular songs, sports heroes, literary works, Broadway shows, and sources for the stories. *The Basil and Josephine Stories* F. Scott Fitzgerald, 1997-01-24 In this classic collection of 14 short stories, Fitzgerald evokes with a mixture of nostalgia and ironic humor his experiences growing up in the decade before World War II. The tales were originally written as two separate series for *The Saturday Evening Post*. Three Basil and Josephine stories Francis Scott Fitzgerald, 1996 Critical Companion to F. Scott Fitzgerald Mary Jo Tate, 2007 The *Great Gatsby* and its criticism of American society during the 1920s. F. Scott Fitzgerald claimed the distinction of writing what many consider to be the great American novel. Critical Companion to F. Scott Fitzgerald Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F. Scott Fitzgerald as a writer and as a public and private figure. No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel. Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century. The introduction traces Fitzgerald's career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars, critics, and general readers over the past sixty years. This volume offers undergraduates, graduates, and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work. The American Child Caroline Field Levander, Carol J. Singley, 2003 From the time that the infant colonies broke away from the parent country to the present day, narratives of U.S. national identity are persistently configured in the language of childhood and family. In *The American Child: A Cultural Studies Reader*, contributors address matters of race, gender, and family to chart the ways that representations of the child typify historical periods and conflicting ideas. They build on the recent critical renaissance in childhood studies by bringing to their essays a wide range of critical practices and methodologies. Although the volume is grounded heavily in the literary, it draws on other disciplines, revealing that representations of children and childhood are not isolated artifacts but cultural productions that in turn affect the social

climates around them Essayists look at games pets adolescent sexuality death family relations and key texts such as *The Adventures of Huckleberry Finn* and the movie *Pocahontas* they reveal the ways in which the figure of the child operates as a rich vehicle for writers to consider evolving ideas of nation and the diverse role of citizens within it *Making the Archives Talk* James L. W. West, 2011 A collection of essays by editor biographer bibliographer and book historian James L W West III covering editorial theory archival use textual emendation and scholarly annotation Discusses the treatment of both public documents novels stories nonfiction and private texts letters diaries journals working papers Provided by publisher

Encyclopedia of the American Short Story Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present **An Apprehension of Splendor** Shawn Sudia-Skehan, 2025-05-31 At the 2017 gathering of the biannual F Scott Fitzgerald Society meeting in St Paul Minnesota a member of the society Shawn Sudia Skehan was asked to mount an exhibit of approximately 60 rare and never before published photographs of F Scott Fitzgerald Zelda Fitzgerald and their daughter Scottie Sudia Skeehan had shared many of the photographs the fruits of her own avocational research with the noted Fitzgerald scholars Jackson R Bryer and Kirk Curnutt who are respectively the president and executive director of the Fitzgerald Society They were astonished by what Sudia Skehan had found a wealth of candid images that seemed to be entirely new to even the most seasoned Fitzgerald scholars and researchers The exhibit was a tremendous success and shortly thereafter both Dr Bryer and Dr Curnutt contacted the Press to suggest that we work with Sudia Skehan on the publication of these newly discovered images The author had in fact discovered almost twice as many as were exhibited at the conference by combing through archives at Princeton University the University of South Carolina libraries Yale University's Beinecke Library the Alabama Department of Archives and History and a number of other institutional repositories A number of the images had been overlooked or buried many others came from the archives of close friends and associates of the Fitzgeralds whose own papers had never been scrutinized specifically for photographs of the Fitzgeralds These are intimate candid and personal photographs from the childhoods of both Scott and Zelda through their teenage years the tumultuous years of their marriage both in the United States and abroad and through their daughter Scottie's birth and emergence into adulthood The original conception of the book was for a simple selection of 80 to 120 photographs accompanied by the author's captions But as the project evolved through multiple drafts and the discovery of many more new and rare photographs along with the clear need for more detailed contextualization to make sense of each image in the larger arc of the Fitzgeralds' lives the project evolved into a true pictorial biography of the trio The Press now plans to publish a book of approximately 300 photographs Of those 180 have never before been published Most of the others have appeared occasionally but rarely As Jackson Bryer noted in his review of the latest draft she includes almost none of the iconic Fitzgerald photos with which we are all familiar Because the author is neither a credentialed scholar critic or historian but rather a deeply committed avocational student of the

Fitzgeralds art and lives Drs Bryer and Curnutt have reviewed and advised Sudia Skehan at each stage of the project s development correcting factual errors in her narrative suggesting additional context for certain images counseling for the inclusion of certain images and against others With their oversight Bryer has agreed to provide a scholarly introduction to the volume the Press feels assured that we will be publishing a pictorial biography of these legendary figures in American letters that will be a revelation to seasoned Fitzgerald scholars and an ideal accessible introduction to any lay reader with an interest in learning more about these rich complex figures and the storied lives they led *The Complete Short Stories and Essays, Volume 2* F. Scott Fitzgerald, 2004-04-05 The first comprehensive collection of F Scott Fitzgerald s short stories and essays is now available in eBook only This definitive edition pulls together the complete works from such celebrated titles as *Tales of the Jazz Age* *Babylon Revisited* *Flappers and Philosophers* and many others For the first time ever readers will have all of the short stories and essays ordered chronologically in two volumes Volume two contains works from 1928 to 1940 the year Fitzgerald died as well as posthumously published works Each volume also includes photos critical excerpts and essays from noted Fitzgerald scholars This is a treasure for any Fitzgerald fan *The Romantic Egoists* Matthew Joseph Brucoli, Scottie Fitzgerald Smith, Joan Paterson Kerr, 2003 This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material not previously available Minnesota a photograph of the country club in Montgomery Alabama where the two met reviews of *This Side of Paradise* poems to the couple from Ring Lardner snapshots of their trips abroad Fitzgerald s careful accounting of his earnings a photograph of the house on Long Island where *The Great Gatsby* was conceived postcards with Fitzgerald s drawings for his daughter These rare photographs and memorabilia combine into a narrative augmented by selections from Scott s and Zelda s own writings conveying the spirit of particular moments in their lives *Companion to Literature* Abby H. P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates *The Fictional Technique of Scott Fitzgerald* James E. Miller Jr., 2013-12-11 **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay *The Origins and*

Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works The Cambridge Companion to F. Scott Fitzgerald Michael Nowlin,2023-11-09 This book provides an authoritative overview of F Scott Fitzgerald s fiction and career featuring essays by leading Fitzgerald specialists F. Scott Fitzgerald and the American Scene Ronald Berman,2017-08-22 A study of the philosophical intellectual and political influences on the artistic creations of Fitzgerald and key early American modernist writers **F. Scott Fitzgerald's Fiction** John T. Irwin,2014-03-28 A personal interpretation of one of America s most important writers Fitzgerald s work has always deeply moved me writes John T Irwin And this is as true now as it was fifty years ago when I first picked up *The Great Gatsby* I can still remember the occasions when I first read each of his novels remember the time place and mood of those early readings as well as the way each work seemed to speak to something going on in my life at that moment Because the things that interested Fitzgerald were the things that interested me and because there seemed to be so many similarities in our backgrounds his work always possessed for me a special personal authority it became a form of wisdom a way of knowing the world its types its classes its individuals In his personal tribute to Fitzgerald s novels and short stories Irwin offers an intricate vision of one of the most important writers in the American canon The third in Irwin s trilogy of works on American writers F Scott Fitzgerald s Fiction resonates back through all of his previous writings both scholarly and poetic returning to Fitzgerald s ongoing theme of the twentieth century American protagonist s conflict between his work and his personal life This conflict is played out against the typically American imaginative activity of self creation an activity that involves a degree of theatrical ability on the protagonist s part as he must first enact the role imagined for himself which is to say the self he means to invent The work is suffused with elements of both Fitzgerald s and Irwin s biographies and Irwin s immense erudition is on display throughout Irwin seamlessly ties together details from Fitzgerald s life with elements from his entire body of work and considers central themes connected to wealth class work love jazz acceptance family disillusionment and life as theatrical performance

The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set Brian W. Shaffer,2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of
