Rock n Roll survey focuses on the songs and the vibrant personalities who create them for college audiences and the general  
public Dean published the world s first history of Rock in 1966 Here in his ebullient style he buzzes through piles of musical  
singles from the whole last half century describing what is fun about each major and minor hit pointing out what elements  
were exciting or new or significant in the development of musical styles He relates some tantalizing tidbits about the earlier  
musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music This snappy witty and  
informative album has universal appeal doubling as a coffee table trivia treasure and a college level popular music history  
text It includes hundreds of photos chapter questions and an extensive index Reader friendly and informationally complete it  
covers soft rock heavy metal rhythm blues country rock and classic oldies all with tender loving care for the specialist and  
casual listener alike Its mini portraits of the artists who move so many hearts and feet the photos and the insightful sound  
bites get to the essence of each song and each musician s contribution to the music of our age The single song focus makes  
the book unique It s a playlist for R n R professors and the general public written with a collegiate vocabulary tight  
organization and a respect for all Hearing Elvis for the first time was like busting out of jail Bob Dylan That being said no one  
is being incited here to bust out of jail or to emulate the quixotic habits of rock stars There s nothing in here to hide from the  
kids the clergy or grandma Gold Rush can be used as a university or community college text but most people will grab it for  
the sheer pleasure of reading about everyone s favorites Great gift for Rock enthusiasts Gold Rush is the first book of its kind  
to feature a celebration of the great single songs of the rock era and beyond Gold Rush takes thousands of songs spanning  
three centuries and brings them back uniquely as if they came out just yesterday Gold Rush unites the Anglo American and  
later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures As Leonard Maltin s Movie  
Guide helps you select videos at Blockbuster so Gold Rush is a powerful playlist for your music collection with many new and  
fascinating photos of favorite stars Gold Rush explains the most important stories behind the songs you picked to be played
