leaves for California to catch a criminal and save the charity but Pepper Vivienne's polar opposite has ideas of her own Pepper isn't shy in speaking her mind nor will she apologize for thrusting Vivienne into new and opulent adventures Pepper will remind Vivienne of the fun they used to have and will show her why drowning out the music isn't the answer Especially when there's a perfectly good rock star who has his sights on her **The Beholder's Eye** John Wheatcroft,1999-01-31
