Cracklin Bread And Asfidity Folk Recipes And Remedies

Tennessee Folklore Society

Cracklin Bread And Asfidity Folk Recipes And Remedies:

Cracklin Bread and Asfidity Jack Solomon, 1979 Cracklin Bread and Asfidity a collection of Alabama folk recipes and remedies is the first of a number of volumes in which the full range of Alabama folklore will be surveyed The scope diversity and strength of our folk traditions legends tales narratives songs superstitions games rhymes proverbs riddles songs will we think come as a pleasant surprise to our readers

Grasping Things Simon J. Bronner, 2021-05-11 America stocks its shelves with mass produced goods but fills its imagination with handmade folk objects In Pennsylvania the back to the city housing movement causes a conflict of cultures In Indiana an old tradition of butchering turtles for church picnics evokes both pride and loathing among residents In New York folk art exhibits raise choruses of adoration and protest These are a few of the examples Simon Bronner uses to illustrate the ways Americans physically and mentally grasp things Bronner moves beyond the usual discussions of form and variety in America s folk material culture to explain historical influences on and the social consequences of channeling folk culture into a mass society

It Has Helped to Admiration Vincent DiMarco, 2010-10 Explore how everyday people living in eighteenth century England dealt with sickness accidents and disease in this unpublished kitchen book from 1737 Bridget Lane a typical British housewife and lady of the house treated her family for the physical ills that befell them She gathered more than 150 cures and remedies compiling them along with her unique insights into healing principles and practices of the time Edited with detailed commentary by Vincent DiMarco a longtime scholar of medieval literature this text examines how Bridget Lane s cures relate to folk and herbal medicine traditions whether recipes preserved vestiges of magic and spiritual healing details on ingredients and their effects and ways certain recipes have been adapted to the modern kitchen Based on a comprehensive analysis of how the people of the eighteenth century understood ailments Mrs Lane s guide and the attendant commentary is intended for students lovers of history and anyone interested in the social sciences Join an eighteenth century housewife and discover all she did in the kitchen to protect and help her family with It Has Helped to Admiration

Folk Medicine in Southern Appalachia Anthony Cavender, 2014-07-25 In the first comprehensive exploration of the history and practice of folk medicine in the Appalachian region Anthony Cavender melds folklore medical anthropology and Appalachian history and draws extensively on oral histories and archival sources from the nineteenth century to the present He provides a complete tour of ailments and folk treatments organized by body systems as well as information on medicinal plants patent medicines and magico religious beliefs and practices He investigates folk healers and their methods profiling three living practitioners

an herbalist a faith healer and a Native American healer The book also includes an appendix of botanicals and a glossary of folk medical terms Demonstrating the ongoing interplay between mainstream scientific medicine and folk medicine Cavender challenges the conventional view of southern Appalachia as an exceptional region isolated from outside contact His thorough and accessible study reveals how Appalachian folk medicine encompasses such diverse and important influences as European and Native American culture and America s changing medical and health care environment In doing so he offers a compelling representation of the cultural history of the region as seen through its health practices Dixie's Forgotten People, New Edition Wayne Flynt, 2009-08-20 The best sort of introductory study packed with enlightening information The Times Literary Supplement Poor whites have been isolated from mainstream white Southern culture and have been in turn stereotyped as rednecks and Holy Rollers discriminated against and misunderstood In their isolation they have developed a unique subculture and defended it with a tenacity and pride that puzzles and confuses the larger society Written 25 years ago this book was one scholar s attempt to understand these people and their culture For this new edition Wayne Flynt has provided a new retrospective introduction and an up to date bibliography **The New Encyclopedia of Southern Culture** James G. Thomas Jr., Charles Reagan Wilson, 2012-11-26 Science and medicine have been critical to southern history and the formation of southern culture For three centuries scientists in the South have documented the lush natural world around them and set a lasting tradition of inquiry The medical history of the region however has been at times tragic Disease death and generations of poor health have been the legacy of slavery the plantation economy rural life and poorly planned cities The essays in this volume explore this legacy as well as recent developments in technology research and medicine in the South Subjects include natural history slave health medicine in the Civil War public health eugenics HIV AIDS environmental health and the rise of research institutions and hospitals to name but a few With 38 thematic essays 44 topical entries and a comprehensive overview essay this volume offers an authoritative reference to science and medicine in the American South

Tennessee Folklore Society Bulletin Tennessee Folklore Society, 1980 Includes music unaccompanied melodies **A Remembrance of Eden** Margaret Jones Bolsterli, 1999-12-01 In her perceptive chronicle of everyday life on an Arkansas plantation Harriet Bailey Bullock Daniel sheds light on the plantation economy medical practices religion slavery and sex roles in the period from 1849 until Daniel s marriage in 1872 The work is a rich mixture of mundane details surrounded by momentous events and Daniel s sure grasp of both provides enjoyment and enlightenment for any reader **White River Chronicles (p)** S.C. Turnbo, 2017 Contents Editors Note I Am Nothing But A Poor Scribbler A Foreword Introduction I Emigrant Indians And Plain Folk II First Families The Coker Clan The Turnbo Neighborhood III The County Seats And Outlying Settlements IV Man And Wildlife Tales Of Buffalo Tales Of Bear Tales Of Elk And Deer Tales Of Wolves Tales Of Panther Tales Of Varlous Species Tales Of Snakes And Centipedes V Hearts Of Stone The War At Home Appendix Selected Genealogies Of The Coker And The Turnbo Families Notes Works Cited **American Health Quackery** James Harvey

Young, 2014-07-14 James Harvey Young the foremost expert on the history of medical frauds finds quackery in the 1990s to be more extensive and insidious than in earlier and allegedly more naive eras The modern quack isn't an outrageous looking hawker of magic remedies operating from the back of a carnival wagon but he knows how to use antiregulatory sentiment and ingenious promotional approaches to succeed in a trade that is both bizarre and deceitful In *The Toadstool Millionaires* and *The Medical Messiahs* Young traced the history of health quackery in America from its colonial roots to the late 1960s This collection of essays discusses more recent health scams and reconsiders earlier ones Liberally illustrated with examples of advertising for patent medicines and other alternative therapies the book links evolving quackery to changing currents in the scientific cultural and governmental environment Young describes varieties of quackery like frauds related to the teeth nostrums aimed at children and cure all gadgets with such names as Electreat Mechanical Heart The case of Laetrile illustrates how an alleged vitamin for controlling cancer could be ballyhooed and lobbied into a national mania half the states passing laws giving the cyanide containing drug some special status And AIDS is the most recent example of an illness that tragically has panicked some of its victims and members of the general public into putting their hopes in fake cures and preventives Young discusses the complex question of vulnerability why people fall victim to health fraud and considers the difficulties confronting governmental regulators From the late 1960s to the early 1990s the annual quackery toll has escalated from two billion to over twenty five billion dollars Young helps us discover why Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
