Weird Parenting Wins Hillary Frank,2019-01-15 Unconventional yet effective parenting strategies carefully curated by the creator of the popular podcast The Longest Shortest Time Some of the best parenting advice that Hillary Frank ever received did not come from parenting experts but from friends and podcast listeners who acted on a whim often in moments of desperation These weird parenting wins were born of moments when the expert advice wasn t working and instead of freaking out these parents had a stroke of genius For example there s the dad who pig snorted in his baby s ear to get her to stop crying and the mom who made a flat daddy out of cardboard and sat it at the dinner table when her kids were missing their deployed military father Every parent and kid is unique and as we get to know our kids we can figure out what makes them tick Because this is an ongoing process Weird Parenting Wins covers children of all ages ranging in topics from The Art of Getting Your Kid to Act Like a Person on hygiene potty training and manners to The Art of Getting Your Kid to Tell You Things because eventually they re going to be tight lipped You may find that someone else s weird parenting win works for you or you might be inspired to try something new the next time you re stuck in a parenting rut Or maybe you ll just get a good laugh out of the mom who got her kid to try beets because it might turn her poop pink
