Creating A Successful Retirement Finding Peace And Purpose:

Creating a Successful Retirement Richard P. Johnson, 1999 Retirement is perhaps the greatest time for self discovery You may not believe it but Christ has something incredible in store for you in your new role It all begins with an assessment of your focus In light of this Dr Richard Johnson presents you with the 15 keys that will help you redefine yourself He begins by setting the stage for your new world of opportunity helping you to move away from the external material achievement oriented definition of self toward a more personal genuine and spiritual definition It is this reorientation that will help you steer clear of the possible frustrations of retirement and give you a newfound sense of optimism Each chapter opens with stories of retirees from all walks of life Dr Johnson uses their life lessons to cull out pearls of wisdom for your future Plus he includes affirming prayers to draw you closer to the God who loves you and who wants to make your life a success Finally Dr Johnson presents 15 self evaluation exercises that will help you plan in a comprehensive way for the shift to retirement
Paperback *The Senior Volunteer* Charles C. Sharpe, 2005-06-29 The goal of this comprehensive volume is to encourage volunteerism among retired and older people for their own good and for the good of society To this end it documents the physical and psychosocial benefits and the personal rewards that derive from a productive volunteer experience The book also discusses volunteerism in the context of changing concepts of aging and retirement in America and presents an extensive listing of up to date opportunities for prospective volunteers bringing the idea of volunteer work into the 21st century Three appendices provide both hard data on the ways people volunteer in America today and specific guidance on learning how to use the Internet in volunteering including a useful glossary of Internet terms A list of sources cited in print and on the Internet and an index complete the work What's Next in Your Life? James I. Briggs, 2025-01-16 At different times in our lives we experience transitions from one life stage to another The transition into retirement and the realization that we are growing older are two of those major transition points So much of our identity comes from the work we have done the positions we have held and the families we have raised Shifting what defines our identity when we leave our profession or become empty nesters can be challenging and unsettling This book includes a series of reflective exercises to help you gain a clearer understanding of what you want to do next That process includes answering three essential questions How have you been gifted in life To what purpose do you want to put those gifts at this point in your life How can you be successful in achieving those purposes The author's approach to answering these questions is very much influenced by Ignatian spirituality But you do not need to be a person of faith to participate in the reflective exercises recommended You can adapt them to your own experience without reference to any specific faith or spirituality By thoughtfully reflecting on these questions and participating in these exercises you can find the tools you need to develop a deeper understanding of the transition into retirement and greater clarity about what it is you want to do next with what the poet Mary Oliver calls your one wild and precious life **Enjoying Retirement** Leonard Doohan, 2010 Offers practical advice to retirees while

challenging them to approach this period of life with fidelity to the inner values of their hearts so they can truly live with purpose in later life

Subject Guide to Books in Print, 1991 **Parish Ministry for Maturing Adults** Richard P. Johnson, 2007 The current crisis in parish ministry for maturing adults is the reason Richard Johnson wrote this book It is his clear intention that parishes become more active more assertive and more focused on the fundamentals of ministering to those in their maturing years As he looks into the future the author sees this ministry growing steadily and surely taking its rightful place among other parish ministries He calls for a new vision for parish ministry with maturing adults that moves beyond social activities to a new model of spiritual growth and personal development *The*

Work of Theology Stanley Hauerwas, 2015-08-05 A how to book on theology from a world renowned theologian In this book Stanley Hauerwas returns to the basics of doing theology Revisiting some of his earliest philosophical and theological views to better understand and clarify what he has said before Hauerwas explores how theological reflection can be understood as an exercise in practical reason Hauerwas includes chapters on a wide array of topics including How I Think I Learned to Think Theologically How the Holy Spirit Works How to Write a Theological Sentence and How to Be Theologically Funny In a postscript he responds to Nicholas Healy's recent book Hauerwas A Very Critical Introduction What we believe as Christians says Hauerwas is quite basic and even simple But because it is so basic we can lose any sense of the extraordinary nature of Christian beliefs and practices In discussing the work of theology Hauerwas seeks to recover that sense of the oddness of what we believe as Christians **American Book Publishing Record**, 2000 **Spiritual Wisdom for Successful Retirement**
