Creating Motion Graphics with After Effects Chris Meyer, Trish Meyer, 2013-02-11 After Effects CS5.5 Update tv adobe.com show after effects cs5.5 new creative techniques Chris and Trish Meyer have created a series of videos demonstrating how to use their favorite new and enhanced features in After Effects CS5.5. Virtually all of these videos use exercise files from *Creating Motion Graphics with After Effects 5th Edition* for CS5 as their starting point, extending the usefulness of this book for its owners. These videos may be viewed for free on AdobeTV. 5th Edition of best-selling After Effects book by renowned authors Trish and Chris Meyer covers the important updates in After Effects CS4 and CS5. Covers both essential and advanced techniques from basic layer manipulation and animation through keying, motion tracking, and color management. The downloadable resources are packed with project files for version CS5 source materials and nearly 200 pages of bonus chapters. Trish and Chris Meyer share over 17 years of hard-earned real-world film and video production experience inside this critically acclaimed text. More than a step-by-step review of the features in AE, readers will learn how the program thinks so that they can realize their own visions more quickly and efficiently. This full-color book is packed with tips, gotchas, and sage advice that will help users thrive no matter what projects they might encounter. *Creating Motion Graphics 5th Edition* has been thoroughly revised to reflect the new features introduced in both After Effects CS4 and CS5. New chapters cover the revolutionary new Roto Brush feature as well as Mocha and Mocha Shape. The 3D section has been expanded to include working with 3D effects such as Digieffects FreeForm plus workflows including Adobe Repouss, Vanishing Point Exchange, and 3D model import using Adobe Photoshop Extended. The print version is also accompanied by downloadable resources that contain project files and source materials for all the techniques demonstrated in the book as well as nearly 200 pages of bonus chapters on subjects such as expressions, scripting, and effects. Subjects include Animation Techniques, Layer Management, Modes, Masks, and Mattes, Mastering 3D Space, Text Animation, Effects Painting, and Rotoscoping, Parenting, Nesting, and Collapsing, Color Management, and Video Essentials, Motion Tracking, and Keying, Working with Audio, Integrating with 3D Applications, Puppet Tools, Expressions, Exporting, and Rendering, and much more. *DV Expert* Trish Meyer, 2007

After Effects in Production Trish Meyer, Chris Meyer, 2013-01-25 Take your After Effects skills to a new level. Twelve step-by-step tutorials designed by industry professionals explore a variety of creative approaches as they teach useful design concepts and production techniques. Updated for After Effects 6.5, this new edition covers the most significant Version 5 and 6 features including 3D space, cameras, lights, parenting, text animation, presets, paint, and expressions. Each carefully structured project presents the why behind the steps so you can adapt these techniques to your own designs and motion graphics work. All contain timeless concepts that will be of use for many years to come. After Effects in Production also contains six case studies of commercial projects created by award-winning studios such as ATTIK, Belief, Curious Pictures, The Diecks Group, Fido, and the authors' own studio, CyberMotion. These detail the integration of After Effects

Creating Motion Graphics With After Effects Introduction

In today's digital age, the availability of Creating Motion Graphics With After Effects books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Creating Motion Graphics With After Effects books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Creating Motion Graphics With After Effects books and manuals for download is the cost-saving aspect. Traditional books and manuals

can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Creating Motion Graphics With After Effects versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Creating Motion Graphics With After Effects books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Creating Motion Graphics With After Effects books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Creating Motion Graphics With After Effects books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Creating Motion Graphics With After Effects books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Creating Motion Graphics With After Effects books and manuals for download and embark on your journey of knowledge?
