James,2012-01-04 Today's church has shackled itself to many Reformation doctrines not supported in scripture Regarding salvation two of those doctrines that have been particularly detrimental are Calvinism and Arminianism Both of these have selectively filtered Biblical passages through their man made theological construct effectively rejecting the whole council of God Baptist churches in particular have widely subscribed to either the doctrines or mission of Arminianism which essentially requires that every believer's primary responsibility is to be an evangelist Preaching this man made doctrine from pulpits every Sunday has played a significant role in stunting the spiritual growth of most members as they are crammed into a role outside of their spiritual gifting At the same time the real work associated with a believer's true spiritual giftedness is going unused failing to minister to the body of Christ as God designed The cumulative effect is that the local church is focused on enticing those outside the church to join an assembly that essentially ignores the needs of those within The key marker that Jesus said would show the outside world who we belong to is our love for one another The early church understood this clearly as they shared all things in common with their fellow believers They sacrificially gave of their physical possessions to meet the tangible needs of the saints and used their spiritual gifts to edify and strengthen one another spiritually So if the Arminianistic model is not valid what does the ideal Christian look like Based on Scripture we see these essential characteristics Seeking to be daily clean before God and filled with the Holy Spirit Operating in the Body of Christ in accordance with the spiritual gift bestowed to each believer and Actively obedient to the Commands of Christ Join Nathan in exploring these characteristics as he seeks to bring maturity to believers and to restore the well being and health of the sickly bride of Christ *The Teaching Ministry of Congregations* Richard Robert Osmer,2005-01-01 In this important and groundbreaking book Osmer develops a practical theology of the teaching ministry He begins with the Apostle Paul

identifying in Paul's letters to his congregations the core tasks of the teaching ministry **Study God's Plan** David C Cook,2018-05-04 These lessons help kids learn how to use God's Word to discover God's plan of salvation through the whole Bible trust God's promises and seek God's will A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally

relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs

Theological Education Andrew M. Bain,Ian Hussey,2018-01-08 This volume draws upon historical and theological sources and empirical research to provide a unique and diverse perspective on theological education in the twenty first century The volume develops and promulgates the best thinking about theological education by drawing upon the breadth of expertise represented by the faculty of colleges within the Australian College of Theology This volume not only produces crucial insights for the future of theological education around the world but gives the Australian theological sector a voice to make its own unique contribution to the global dialogue about theological education

Designing Effective Biblical Instruction Chris Cobb,2017-08-18 There is a great need today for effective and life transforming biblical instruction in our churches and Christian schools In order to meet this need we must focus more on developing instructional units or courses that are geared toward the needs and contexts of our learners Applying the principles of instructional design will help you in this pursuit as you learn how to build learning profiles perform needs assessments shape educational goals and objectives determine the scope and sequence of instruction select teaching strategies and craft assessments Whether you are a pastor small group leader Sunday school teacher or Christian school Bible teacher *Designing Effective Biblical Instruction* will help you engage the steps of instructional design and apply them to your specific ministry context You will be challenged to refine your skills in these areas and become a more dynamic Christian educator
