Every Believer a Disciple! David E. Bjork,2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life

transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples **Lawless Dogma or Fundamental Bible Truth** Rev'd Dr Graham J Whelan OAM,2022-02-21 The idea that Christianity is a form of feeling a life and not a system of doctrine is contrary to the faith of all Christians Christianity has always had a creed A man who truly believes the creeds of the book of Common Prayer 1662 and sound Biblical doctrine is a Christian **Christian Basics Bible NLT** Martin H.  Meynell Christian Treasury ,1876 *My Father and Your Father* William Landon,2003-10-20 This book is an attempt to
 relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes
 down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of
 this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding
 lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations
 not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even
 sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our
 Father is not only possible but this relationship is God s greatest desire for us It is Bill Landon s hope that this book will be
 an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those
 who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help *Christian
