This book analyzes the roots of Irish social and sexual conservatism and the dramatic change in one of the most basic areas of human experience how we understand our roles as men and women It looks at the relationship between sexual and cultural dissent and the long slow role of culture in generating change Meaney offers the first major study that sets the relationship between national and gender identities in the context of analysis of Irish identity as white identity tracing the identification of female sexuality with foreign threat in nationalist discourse and its consequences in contemporary representations of immigrant women and their children The study presents an extended analysis of the relationship between feminism and nationalism and between gender and modernism Analyzing the role of Joyce in contemporary culture and Yeats and Synge in the understanding of tradition it also sets their work in the context of their less known female contemporaries and challenges conventional understandings of the Irish literary tradition The book concludes with an analysis of the relationship between race and masculinity in Irish characters in US and British culture from Patriot Games to Rescue Me and The Wire The Romans in Britain to M I 5      *Video Source Book ,2008*      **Command Presence** Frank Ricci,2023-03-30

out just how perfect she is for him wasn't part of Dax's plan but he'll be damned if he's going to walk away from the most interesting and fun woman he's met in a long time. Unfortunately, anyone Dax cares about is suddenly in danger. It'll take every ounce of knowledge he's gained from years in law enforcement to keep Mack alive. Justice for Mickie. For Cruz. Livingston becoming an FBI agent is a lifelong dream. Guarding the streets of San Antonio, a calling. His latest assignment, infiltrating the Red Brothers Motorcycle Club, will help stem the flow of illegal drugs brought into the city by the violent gang. He expects the job to be dangerous. He doesn't expect to meet the woman of his dreams while undercover. Mickie Kaiser is refreshingly sweet, but her sister is intimately involved with the RBMC's president. Cruz can't afford to come clean about his double life without putting his operation in danger, but as violence creeps ever closer to Mickie, his priority becomes crystal clear. Cruz will do anything to keep Mickie alive, even if it means losing her. Love. Justice for Corrie. Blind since birth, Corrie Madison relies on her other sharpened senses in her job as a chiropractor. Never did she imagine she'd have to depend on them to identify a killer. But when a man enters her practice, murdering everyone in his path, Corrie is the only witness putting her directly in the killer's crosshairs. Officer Quint Axton wasn't looking for love or even a relationship until he meets Corrie. She's everything he wants if he can keep her alive long enough to explore their mutual attraction. The threats on Corrie's life are escalating. Surely a blind person is helpless against a ruthless killer. Hardly. Corrie is about to prove that disabled does not equal defenseless. Justice for Laine. Reluctantly taking her best friend's place at a photo shoot, realtor Laine Parker expects to assist the photographer for the day, not drool over the volunteer model. Westin King, The Texas Ranger and real-life cowboy, is hot on hot sexy from the tips of his boots to the top of his Stetson. Despite her visceral reaction to the man, the last thing Laine expects is a whirlwind romance, but that's exactly what she gets. Wes has been around the block enough to know what he wants, and he wants Laine. He wastes no time showing her how he feels, but he may never get the chance to tell her. Laine has disappeared, and it will take every connection Wes has and a little help from a mangy stray to get her back in his arms.
