Second Edition

by Marvin Hyman and Clifford R. Ennico

This Supplement replaces the 1997 Cumulative Supplement No. 1, which should now be removed and discarded. This Supplement includes new discussion and forms on the following subjects:

- **Advertising and Marketing Agreements.** A new section has been added covering the different types of agreements that business clients enter into with marketing and advertising service providers. Form 10.4.01 is a standard form of advertising Agreement in which an advertising agency creates, designs, and produces advertising in a variety of media for a new product launch, and arranges for the "media buys." Form 10.4.02 is a simple form of marketing and cross-referral agreement, in which two companies in the same service business agree to refer business to one another. Form 10.4.03 is an agreement in which two companies agree to join forces to offer their services jointly to a third party. (See Section 10.4 [New].)
