Basic Skills For The New Arbitrator Second Edition:

Basic Skills for the New Arbitrator Allan H. Goodman, 1995 *International Arbitration Checklists - Second Edition* Grant Hanessian, Lawrence W. Newman, 2009-04-01 Baker McKenzie has one of the world's largest and most successful international arbitration practices. This book, written by members of the International Dispute Resolution Practice Group of Baker McKenzie and others, provides a practical experience-based guide to international arbitration. Each chapter begins with a checklist of issues to be considered at each stage of arbitration. Topics include drafting arbitration clauses, commencement of the case, staying court proceedings, compelling arbitration, selection of the tribunal, provisional relief, conduct of hearings, and enforcement of awards among many others. Law and practice in each of the world's major arbitration centers is discussed. Appendices provide ready access to arbitration treaties, statutes, and rules. This book will be a standard reference for in-house counsel and outside practitioners.

Swiss Rules of International Arbitration - Second Edition Tobias Zuberbühler, Christoph Müller, Philipp Habegger, 2013-08-01 NO SALES RIGHTS IN SWITZERLAND This second edition of the first comprehensive commentary on the Swiss Rules of International Arbitration covers the new version of these rules which entered into force on 1 June 2012. It is a practical guide for arbitrators, counsel, state courts, and persons involved in the conduct and administration of arbitral proceedings under the Swiss Rules. This commentary presents the new version of the Swiss Rules from a double perspective. On the one hand, it emphasizes the relationship between these Rules and the Swiss legal regime governing international arbitration, namely the provisions of chapter 12 of the Swiss Private International Law Statute. On the other hand, it puts these Rules in an international perspective by comparing them with the corresponding provisions of the other major institutional rules: ICC, LCIA, SCC, DIS, VIAC, SIAC, HKIAC, CIETAC, AAA, ICDR, WIPO, and ICSID, and with the provisions of the former edition of the rules. Finally, it highlights the main differences between the Swiss Rules and the UNCITRAL Arbitration Rules, which were revised in 2010. This book is written by arbitration practitioners based in Switzerland who work with established law firms, widely experienced in international commercial arbitration. It is the work of a refreshing new generation of Swiss arbitration specialists. Two of the editors were members of the working group for the revision of the Swiss Rules and thus bring special insight into the book about the revision process.
