Basic Bible Commentary Vol 29 Revelation

Simon Patrick Woodman

Basic Bible Commentary Vol 29 Revelation:

Reclaiming the Book of Revelation Wilfried E. Glabach, 2007 Progressive Christians have largely resisted studying the book of Revelation but *Reclaiming the Book of Revelation* shows that the last book of the Bible has great relevance for progressive Christians and congregations in this world It addresses themes such as how to avoid being drawn into the values of a consumerist society how to describe our fears instead of fleeing from them and how to live with hope in difficult times Because Revelation has been claimed by the religious right and proponents of rapture theology Wilfried E Glabach addresses the need for more progressive Christians to give another interpretation of the book *Reclaiming the Book of Revelation* offers an interpretation that stresses God's forgiveness and the healing of the nations rather than the destruction of many and the redemption of a few Dr Glabach motivates and encourages preachers teachers and lay readers to explore Revelation's vision of assurance justice and peace Back cover Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12 A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **SCM Core Text: The Book of Revelation** Simon Woodman, 2013-01-25 For most people Revelation is a book that is either largely ignored or it is the object of such fanatical study and fanciful interpretation that it passes from the realm of the interesting and helpful into the realm of fantasy and speculation Much literature has been published in recent years on its interpretation some of which is scholarly and technical and some of which is populist and accessible The problem is that the technical and scholarly material frequently requires careful and detailed study combined with an advanced level of knowledge whereas much of the populist material tends toward the fanatical and fanciful The aim of this book is to bridge this gap It is written with second and third year university students in mind and would also be helpful for pastors and those in local churches who want to take seriously their study of this often needlessly confusing biblical book *The War Between the Two Beasts and the Two Witnesses* Antoninus King Wai Siew, 2005-11-01 Siew seeks to examine the events that will unfold within the three and a half years before the dawn of the kingdom of God on earth He argues that John composed the textual unit of Rev 11 1 14 5 as a coherent and unified literary unit structured in a macro chiasm He pays special attention to the fusion of form and content and seeks to elucidate how the concentric and chiastic pattern informs the meaning of the literary units within 11 1 14 5 and proposes that the text of 11 1 14 5 is best

analyzed using Hebraic literary conventions devices and compositional techniques such as chiasm parallelism parataxis and structural parallelism The macro chiastic pattern provides the literary structural framework for John to portray that the events of the last three and a half years unfold on earth as a result of what transpires in heaven Specifically the war in heaven between Michael and the dragon has earthly ramifications The outcome of the heavenly war where Satan is defeated and thrown out of heaven to earth results in the war on earth between the two beasts of Rev 13 and the two witnesses of Rev 11 The narrative of the war in heaven 12 7 12 is seen as the pivot of the macro chiastic structure Siew pays close attention to the time period of the three and a half years as a temporal and structural marker which functions to unite the various units in 11 1 14 5 into a coherent and integral whole The events of the last days will be centred in Jerusalem

The Book of Revelation Simon Patrick Woodman, 2008 This textbook identifies the sections of Revelation in a sensible and helpful way as well as identifying the key theological themes with a view to their context and interpretation

Forthcoming Books Rose Army, 1999 A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

The Man of Sin Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it's also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist *The Man of Sin* focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find *The Man of Sin* to be a unique and comprehensive study

The Prescientific Bible Peter J. Coyler, 2013-06-28 The Prescientific Bible examines issues in which the view of natural and human events held by biblical authors differs from present day scientific understanding such as the emergence of the landscape earthquakes the weather health and illness sudden death gender geopolitical changes etc It also suggests ways in which the modern reader

can accept these differences and still find the Bible a source of spiritual nourishment The Millennial Reign of the Messiah Craig M White,2024-02-15 THE MILLENIAL REIGN OF THE MESSIAH may be the most extensive and detailed work ever published on the subject of the 1 000 year reign of Christ the Messiah which will deliver the world from the edge of annihilation Given the comprehensive nature of this work it is unavoidable that there might be details of the Millennium the reader might not be aware of and even shocked about it will not be a period that is a bed of roses and yet it will be immeasurably better than man's world under the influence of Satan and his minions It is now up to the reader to find out more about God's future Kingdom on earth beginning by reading this book and looking up the many Scriptures quoted to support explanations throughout and to continue exploring this essential subject A MUST read for all ages and interest groups Contents Over 320 pages in length 8 25 x 11 inches 5 parts including Early Years of the Kingdom The Messiah and His Glorious Kingdom The Religious System Established The Nations in the World Tomorrow Appendices 13 chapters 18 tables and charts 25 illustrations 16 appendices Footnotes References approximately 200 **Baptist Theology** James Leo Garrett,2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal **The Quest for Truth** F. Leroy Forlines,2001 This invaluable tool seriously discusses profound truths that apply to every facet of life Biblical truth should be made applicable to the total personality The inescapable questions of life are answered from the standard of God's authoritative Word **Books in Print** ,1994 **Bulletin** Cincinnati (Ohio), Public Library,1884 Bulletin of Books in the Various Departments of Literature and Science Added to the Public Library of Cincinnati During the Year... ,1884

Hear the Word James A. Prette, 2011-04 Communicating the eternal truth of the Gospel in the continually changing context and language of contemporary culture can be a challenging task. In *HEAR the WORD*, author Dr. James A. Prette explores authentic Christian preaching in the postmodern culture. In this examination, Prette discusses the three essential elements of persuasive communication: pathos, ethos, and logos, and their parallels in Christian spiritual transformation, content, context, and conveyor. He offers a theological reflection exploring and defining a biblical paradigm for spiritual formation through the exposition of the biblical logos that crosses cultural and generational boundaries. He also delves into the cultural shift that has taken place in the ethos of western culture from a modernist worldview to a postmodern one and its impact on Christian life and ministry. *HEAR the WORD* offers nine important themes that can guide spiritual leaders in listening to and proclaiming the authentic word of God in this new postmodern paradigm.
