*A Dictionary of Basic Japanese Sentence Patterns* Naoko Chino,2013-02-22 A Dictionary of Basic Japanese Sentence Patterns is

a fundamental learning tool for all students of the Japanese language whether they be unblemished beginners or scarred veterans With both types of struggling student as well as for all the gradations that fall in between there is a strong tendency in the heat of battle to lose sight of the essential nature of the Japanese sentence It is for just such people that this dictionary has been created to help them keep their eyes fixed firmly on the target and not be led astray The dictionary contains fifty of the most fundamental Japanese sentence patterns as well as sixty nine variations This number covers all the patterns that are needed for levels 3 and 4 of the Japanese Language Proficiency Test Each pattern and variation is clearly defined by a formula given in Japanese romanization and English Each is exemplified by sample sentences both in single sentences and in dialogues and each is represented in both polite and informal usage By means of this approach the essential nature of the Japanese sentence is clarified and once that has been done the many patterns and variations fall easily into place The simple undisguised truth is that there are only three types of sentence in Japanese and all of the convolutions and complications that distract and bemuse the student are nothing more than modifications of these three fundamental types The study of the Japanese sentence need not be as difficult as it seems A Dictionary of Basic Japanese Sentence Patterns may be used as a reference book to look up individual patterns for the purpose of learning confirming or reapproaching them or it may be used as a textbook to be read from beginning to end providing an overview of the Japanese sentence while buttressing the student's grasp of individual patterns Naoko Chino the author of the best selling All about Particles and Japanese Verbs at a Glance has again presented one of the more forbidding aspects of the language in a way that is both approachable and eminently comprehensible Main Features Fifty of the Most Common Basic Patterns Sixty nine Variations of the Basic Patterns Formulas Delineating Basic Pattern Structure Definitions of Terms Used in the Formulas Polite Example Sentences and Dialogues Informal Example Sentences and Dialogues Commentary on Individual Usages All the Basic Patterns Needed for Levels 3 4 of the Japanese Language Proficiency Test      **Essential Japanese Grammar** Masahiro Tanimori,Eriko Sato,2013-02-08

Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels Long the standard in Japanese language education it provides clear jargon free explanations of how Japanese grammar works and offers hundreds of example sentences An essential handbook for self study or the classroom students will find that a strong foundation in grammar is vital to those wishing to learn Japanese Essential Japanese Grammar presents many unique features First grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required Second abundant example sentences are written in Japanese characters kana and kanji followed by romanji and English translations Third the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs adjectival nouns clauses adverbs etc This Japanese grammar book contains Parts of speech Sentence constructions Conjugations forms Speech styles and tones Accentuation rules Essential words and functional elements An appendix for referencing and cross referencing Japanese words      **Basic Japanese Conversation**

**Dictionary** Samuel E. Martin,1964      *Basic Japanese* Samuel E. Martin,Eriko Sato,2012-10-10 Basic Japanese takes a friendly and innovative approach to beginner Japanese emphasizing the structure of the Japanese language rather than just vocabulary This method was pioneered by the author Samuel E Martin Once considered controversial modern linguists now agree that the structurally based approach for learning a language allows for more efficient retention than the traditional repetition based approach It is especially useful for self study and first time learners as well as in a classroom setting The MP3 Audio CD helps to reinforce pronunciation and build listening comprehension Each lesson is set up to ease learners into not just understanding the new material but mastering it using a four step method Step 1 Basic Sentences Each lesson begins with the key to quick mastery of spoken Japanese learning and understanding new sentence patterns Vocabulary is learned in context A Basic Vocabulary section lists only essential words and phrases that are relevant to the theme of the lesson Step 2 Structure Notes Next the learner is guided through complete in depth explanations of the sentences grammar essentials to aid in mastering the sentence patterns Step 3 Conversation Authentic dialogue teaches the way people naturally speak putting into practice the lesson s sentence patterns with everyday topics Step 4 Exercises An opportunity for practicing and for strengthening your understanding of the lesson s key points and ability to read Japanese      □□□□□□□□□□

Joyce Yumi Mitamura,Yasuko Kosaka Mitamura,1997 This approach to learning the basic components of kanji demonstrates simply how a finite number of parts combine into a wide variety of characters Everyone agrees that it is possible to learn to speak Japanese in a reasonable amount of time but no one has ever said that about reading and writing it It is widely held that spoken and written Japanese require separate efforts by the student as if these two aspects were in fact distinct languages A first step toward alleviating this situation was taken by Yasuko Mitamura in 1985 with the publication of Let s  
Essential Japanese Vocabulary Akira Miura,2013-08-20 This is a clear simple and compact guide to colloquial everyday Japanese Acquire basic proficiency in spoken Japanese A streamlined efficient approach Perfect for self learners or classroom use Includes kanji and kana Essential Japanese Vocabulary teaches all the Japanese grammar you need to speak and understand simple spoken Japanese It covers only what is essential which provides an efficient way for learners who have limited time to gain basic proficiency and begin to communicate naturally with Japanese language speakers Intended for both self study and classroom use the guide offers a practical course in colloquial Japanese but leaves aside forms that are unnecessary or little used as well as those that are more important for written Japanese In short chapters it helps the user understand the logic of Japanese grammar while its straightforward explanations and clear examples make learning as easy as possible The book includes a glossary of grammatical terms and an index as well as appendixes on Japanese pronunciation and verb conjugation In a focused and convenient approach Essential Japanese Vocabulary is an indispensable tool for beginners just starting to learn Japanese or a handy aid for more experienced learners who wish to refresh their knowledge

**An Introduction to Modern Japanese: Volume 1, Grammar Lessons** Richard John Bowring,Haruko Uryu

Laurie, 2004-03-18 A two volume introduction to written and spoken Japanese comprising fifty two lessons with exercises and vocabularies     **Learn Japanese** John Young, Kimiko Nakajima-Okano, 1985-08-01 After fifteen printings the Learn Japanese College Text series has been substantially revised The incorporated revisions grew out of the authors decade and more of classroom experience Revisions were also made in accordance with recommendations proposed by instructors who have used the Learn Japanese series The new edition which reflects recent trends in language teaching continues to emphasize an integrated approach in which speaking hearing reading and writing Japanese all contribute to the language learning process The most significant improvement is the addition of Culture Notes to help clarify the sociolinguistic context in which the language is used Since Japanese modes of communication are highly situational the student of Japanese needs to be made aware of the different contexts in which speakers interact Culture Notes used in conjunction with Grammar Notes Dialogs and Useful Expressions show how an understanding of cultural values and human relationships can enhance the student s mastery of language skills A new approach to language learning is used throughout the revised edition The new sociolinguistic approach which encourages the generation of discourse is integrated with the original pattern approach which encourages the generation of sentences Many components of the first edition such as Sentence Patterns Grammar Notes and Reviews have been revised and or rearranged The result is a clearer more natural and more functional presentation of the Japanese language The four volumes of Learn Japanese New College Text were prepared by the Asian Division of the University of Maryland University College and are published by the University of Hawaii Press
