evangelicalism this book will provide for you a solid resource for many years to come **The Layman's Manual on Christian Apologetics** Brian G. Chilton, 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In *The Layman's Manual on Christian Apologetics* the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God's existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity *The Layman's Manual on Christian Apologetics* delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable *The Soteriological Use of Call by Paul and Luke* Ian Hussey, 2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice **Essential Christianity** Keith Sherlin, 2006-06 What are the essentials to the Christian faith How can you know and find God's will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily *The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity* Casey J. Chalk, 2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There's a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy

Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out

From Victory to Victory Jean Max B. St Louis,2014-05-17 Whether you are a new or mature Christian you are currently engaged in a warfare that will not end until you meet Christ Victory is essential in the Christian life Not to experience a victorious Christian life does not fit within the standard we are called to live In the book of Revelation Jesus said these words to the seven Churches To the one who overcomes This implies that although Jesus is the source of victory for His church He still expects his church to walk From Victory to Victory In this book you will learn how to View yourself the world around you and the spiritual world from a biblical perspective Identify the enemies of the Christian life and the various strategies used against you as a believer Recognize and cope with spiritual distractions Use your spiritual discernment at all times Discover who you are in Christ Jesus Operate under His victory to defeat your enemies Practice an effective prayer life

How Firm a Foundation Hal Harless,2004 Do covenants or dispensations structure the biblical revelation The historic conflict between Covenant and Dispensational theology has resulted in a neglect of biblical covenants in Dispensationalism As a corrective this book offers a variant of Dispensationalism designated Covenantal Dispensationalism Analyzing both ancient Near Eastern and biblical covenants this work clearly demonstrates that the character of each dispensation is the sum of the stipulations of the operative covenants Therefore this book concludes that covenants structure the biblical revelation and that resulting structure is Dispensationalism

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

exodus miracle prominently throughout the pages of Scripture to remind all mankind of his loving nature He selected Moses to free his people from slavery and to record eyewitness details of the Red Sea Crossing positioning this miraculous event at the core of His salvation message The Crossing uncovers profound biblical and historical truths from the exodus that place us at the same shoreline of hope where the Hebrew nation faced what they believed was certain destruction at the hands of the Egyptian army This event is a personal demonstration of God's loving redemption along with the birth crucifixion and resurrection of Jesus Christ Why does this event appear so often in Scripture What are the lessons of the exodus that we can apply to our lives today In answering these questions this book places a unique focus on this decisive salvation moment However it was not just a salvation moment for Israel but it was also a salvation moment for us providing an ocean crossing miracle for all generations to come Although it occurred three thousand years ago the exodus still speaks to us today It is a story that invites us to trust God boldly and step into deep water He can still create a new pathway on dry ground

At-Home Seminary Rich O'Brien, 2025-07-15 My goal upon entering Moody's MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary **What's in the Bible for Teens** Mark Littleton, 2007-10-01 Spiritual and Practical Guide for Teens Through Scripture biblical character studies and personal application this unique and engaging Bible reference allows readers to see what God's Word says about everyday topics Lighthearted yet serious the What's in the Bible books are ideal for individuals looking for personal answers as well as groups wanting to share the enlightenment through Bible study No matter the topic these approachable and insightful books are ideal for people of all level of biblical understanding Revisiting Jesus Christ's Continuing Humanity Patrick Nasongo Ph.D., 2022-09-12 Most readers are familiar with Jesus deity and His humanity while He was here on the earth but they seldom consider the fact of His continuing humanity Dr Nasongo investigates the insufficient treatment of this subject from the time of the Apostolic Fathers to the present and then he presents the biblical evidence for Christ's continuing humanity In the process he demonstrates its relationship to apologetics hermeneutics and systematic theology with a special emphasis on eschatology
