**Buddhism: Real-life Buddhist Teachings & Practices for Real Change (A Plain and Simple Introduction to Buddhism for Busy People)** Joann Decosta, 2021-09-16 Buddhism has been catching the attention and interest of a lot of people lately. In a world where everything goes fast and is constantly evolving, this ancient philosophy can help to slow down and live a more present and fulfilling life. However, there is a problem: Buddhism seems extremely complicated from the outside. Those who have never studied it think that it is impossible for the average Joe to make his way through all the rules and laws of this philosophy. Truth be told, Buddhism is not as complicated as contemporary gurus pretend it to be. As you go through this introduction, you will be able to look into the most relevant topics about Buddhism. Where did Buddhism start? Who is the Buddha? Why is the practice fundamental in Buddhism? Why did the Buddha find a need for this practice? What are the most common Buddhist traditions? What is the difference between Theravada, Mahayana, and Vajrayana Buddhism? How is Buddhism expressed across the globe? Buddhism puts light on inequality and injustice. It gives a purpose to life while providing a moral code and spiritual guidance to inner peace, joy, and happiness. This book is aimed at people wanting to discover and learn about Buddhism. It explores the basic principles and tenets of Buddhism, Buddhist teachings, and Buddhist rituals, as well as ways to incorporate Buddhism into the everyday life.

*Practicing the Path* Yangsi, 2012-08-20 The Lamrim Chenmo or Great Treatise on the Steps of the Path by Je Tsongkhapa is a comprehensive overview of the process of individual enlightenment. Meditation on these steps has been a core practice of Tibetan Buddhists for centuries. The Lamrim Chenmo presents the Buddha's teachings along a continuum of three spiritual attitudes: the person who worries about rebirth, the person who wants to escape rebirth, and finally the person who strives for Buddhahood in order to relieve the suffering of all beings. This is the supreme aspiration of the bodhisattva. Given over two months to a group of Western students in Dharamsala, India, Yangsi Rinpoche's commentary revitalizes our understanding of Tsongkhapa's work, giving readers renewed inspiration.

**Rituals and Practices in World Religions** David Bryce Yaden, Yukun Zhao, Kaiping Peng, Andrew B. Newberg, 2020-02-03 This book codifies, describes, and contextualizes group rituals and individual practices from world religious traditions. At the interface of religious studies, psychology, and medicine, it elucidates the cultural richness of practices and rituals from numerous world religions. The book begins by discussing the role that religious rituals and practices may play in the well-being of humans and the multi-dimensional cultural and psychological complexity of religious rituals and practices. It then discusses rituals and practices within a number of religions, including Christian, Islamic, Jewish, Buddhist, Taoist, Sikh, Hindu, Confucian, and other traditions. There is a need for a more inclusive collection of religious rituals and practices as some practices are making headlines in contemporary society.
